EQUITY MARKETS REVIEW

Pakistan's equity market saw another productive year as the benchmark index retained its position as the most lucrative investment avenue across the frontier and regional market. The primary benchmark index yielded 52% YoY, outpacing major frontier markets. The benchmark index climbed steadily throughout the first half of fiscal year, generating 22.5% on account of monetary easing. In the wake of decelerating inflation, the Central Bank slashed the key policy rate by 250bps over the first half, bringing the key policy rate down to a single digit. The aggressive easing stance resonated in corporate fundamentals and valuations, making them highly attractive across the board. Resultantly, investor confidence strengthened and sentiments turned bullish.

The second half was considerably more composed, as market direction was dominated primarily by political landscape and developments. Nevertheless, market confidence recovered as political clarity improved over election results. With the smooth transition of power, PML (N) won a sweeping majority in general elections. The index broke record high levels as the pro-business center promoted bullish sentiments, registering a return of 24.3% over the latter half.

The outgoing year also saw developments on the corporate front, where the index heavy weight Unilever opted for delisting at the local bourse. Major movement was witnessed in the Pharma and Cement sector, which registered returns of 132% and 112%, respectively over the outgoing fiscal year.

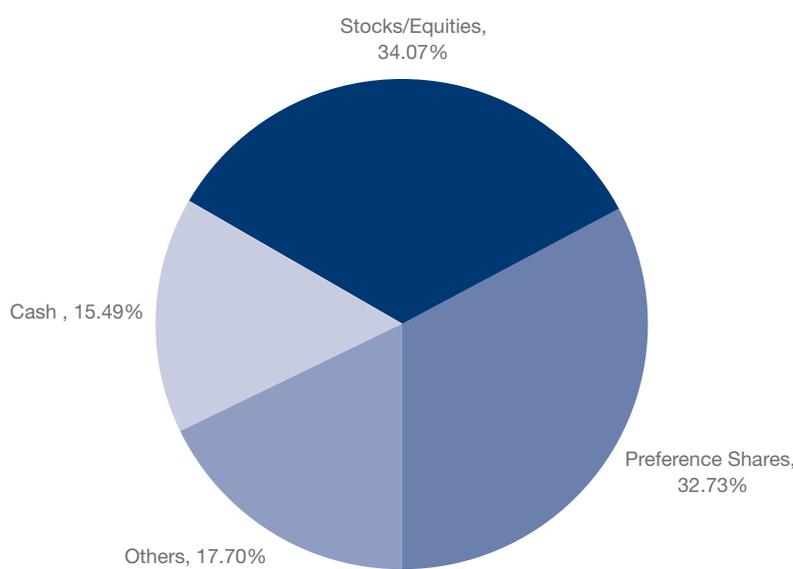

Going forward, the market is expected to remain buoyed by expected support from Extended Loan Facility (EFF) of the International Monetary Fund, especially in light of stressed reserves and non-materialization of Coalition Support Funds. That said, the equity market is currently exposed to economic reservations, particularly deteriorating foreign reserves, depreciating Pak Rupee and widening balance of payment deficit.

REPORT OF THE DIRECTORS OF THE MANAGEMENT COMPANY

PERFORMANCE REVIEW

Your fund yielded a robust return of 19.15% over the outgoing fiscal year on the back of proactive investment philosophy, strong corporate earnings growth and a well-balanced exposure to equities and fixed income. Equity exposure was regulated in line with monetary easing, increasing political clarity and the eventual election results. Nonetheless exposure to equities was proactively reduced in the final month from 59% to 34%, to stave off systematic losses. Resultantly the fund was able to post a positive return in June as opposed overall contraction of 3.7% by the broader index. With a low downside beta and high upside beta, your fund is appropriately composed and well positioned for the next year.

ASSET ALLOCATION

INCOME DISTRIBUTION

The Board of directors has approved final distribution at the rate of 10.85% (i.e Rs. 10.85 per unit of par value of Rs.100 each).

MUTUAL FUND RATING

JCR-VIS has assigned fund performance ranking of "MFR 1- Star" "3 years ranking", to FBGF.

FUND MANAGER'S REPORT

Economic Review

The outgoing fiscal year was a historic yet challenging year for Pakistan's economy wherein it continued to endure an unprecedented set of challenges in the form of widening fiscal deficit, security hazards, falling foreign exchange reserves and rising energy shortfall. These challenges kept the GDP expansion subdued to 3.6% against target of 4.3%.

The average headline Inflation for FY13 stood at 7.4% against 11% in FY12. This stayed almost 200bps below the SBP target of 9.5%. Throughout the year, inflation remained on the downside due to better supply of food and nonfood items, which in turn resulted in easing of domestic prices as well as global commodity prices. Given the relative slowdown in Inflation, the State Bank of Pakistan reduced the key policy rate by a cumulative 300bps over the year - i.e. from 12% to 9%.

Pakistan's current account balance posted a deficit of USD 2.3bn, witnessing a decline of 100% YoY. This was primarily attributable to inward remittances which continued to demonstrate a stellar performance by clocking in at USD 13.9bn - up by 5% YoY. This increase is primarily driven by government's efforts to divert remittances from informal to the formal channels. Since the launch of Pakistan Remittance Initiative (PRI), the share of worker's remittances has increased considerably from 75% in FY10 to 90% in FY13.

During FY13, the country's foreign exchange reserves depleted by over USD 7bn to close the year at USD 11bn. The fall in the reserve position was owed to repayments made to the International Monetary Fund. Pakistan made massive repayments totaling over USD 3bn to the IMF which not only deteriorated the reserve position but also pressurized the Pakistani Rupee beyond the PKR 98 mark. In order to make up for the external funding squeeze and fiscal deficit financing, the government's budgetary requirement stepped up substantially, compelling them to resort to borrowing from the financial sector.

Equity Review

Pakistan's equity market saw another productive year as the benchmark index retained its position as the most lucrative investment avenue across the frontier and regional market. The primary benchmark index yielded 52% YoY, outpacing major frontier markets. The benchmark index climbed steadily throughout the first half of fiscal year, generating 22.5% on account of monetary easing. REVIEW REPORT TO THE UNIT HOLDERS ON THE STATEMENT OF COMPLIANCE WITH THE BEST PRACTICES OF THE CODE OF CORPORATE GOVERNANCE

We have reviewed the Statement of Compliance with the best practices (the Statement) contained in the Code of Corporate Governance (the Code) prepared by the Board of Directors of Faysal Asset Management Limited (the Management Company) of **Faysal Balanced Growth Fund** (the Fund) to comply with the Listing Regulation No. 35 (Chapter XI) of the Karachi Stock Exchange Limited where the Fund is listed.

The responsibility for compliance with the Code is that of the Board of Directors of the Management Company of the Fund. Our responsibility is to review, to the extent where such compliance can be objectively verified, whether the Statement reflects the status of the Management Company's compliance with the provisions of the Code in respect of the Fund and report if it does not. A review is limited primarily to inquiries of the Management Company's personnel and review of various documents prepared by the Management Company to comply with the Code.

As part of our audit of financial statements, we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board's statement on internal control covers all risks and controls, or to form an opinion on the effectiveness of such internal controls, the Management Company's corporate governance procedures and risks.

Further, Sub-Regulation (xiii a) of Listing Regulation 35 notified by the Karachi Stock Exchange Limited requires the Management Company to place before the Board of Directors for their consideration and approval related party transactions distinguishing between transactions carried out on terms equivalent to those that prevail in arm's length transactions and transactions which are not executed at arm's length price recording proper justification for using such alternate pricing mechanism. Further, all such transactions are also required to be separately placed before the audit committee. We are only required and have ensured compliance of requirement to the extent of approval of related party transactions by the Board of Directors and placement of such transactions before the audit committee. We have not carried out any procedure to determine whether the related party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention which causes us to believe that the Statement does not appropriately reflect the Management Company's compliance, in all material respects, with the best practices contained in the Code in respect of the Fund for the year ended 30 June 2013.

We refer to the clause 9 of the Statement which describes the non-compliance with the Code.

Our conclusion is not qualified in respect of the above matter.

6. The Board has developed a vision / mission statement, an overall corporate strategy and significant policies for the Fund. A complete record of particulars of significant policies along with the dates on which these were approved or amended has been maintained.
7. All the powers of the Board have been duly exercised and decisions on material transactions, including appointment, determination of remuneration and terms and conditions of employment of the Chief Executive Officer (CEO) and other executive and non-executive directors has been taken by the Board.
8. The meetings of the Board were presided over by the Chairman and the Board met at least once in every quarter during the year. Written notices of the Board meetings, along with agenda and working papers, were circulated at least seven days before the meetings. The minutes of the meetings were appropriately recorded and circulated.
9. All the directors of the Management Company are well-conversant with the relevant laws applicable to the Fund and Management Company, its policies and procedures and provisions of memorandum and articles of association and are aware of their duties and responsibilities. The compliance with the requirement of certification of directors under clause (xi) of the Code shall be ensured during year ending June 30, 2014.

STATEMENT OF COMPLIANCE BY FAYSAL BALANCED GROWTH FUND WITH THE CODE OF CORPORATE GOVERNANCE

10. The Board has approved the appointment of Chief Financial Officer and Company Secretary during the year.
11. The Directors' report relating to the Fund for the year ended June 30, 2013 has been prepared in compliance with the requirements of the Code and fully describes the salient matters required to be disclosed.
12. The financial statements of the Fund were duly endorsed by the CEO and CFO of the Management Company before approval of the Board.
13. The Directors, CEO, and executives do not hold any interest in the units of the Fund other than that disclosed in the Directors' report.
14. The Management Company has complied with all the applicable corporate and financial reporting requirements of the Code.
15. The Board has formed an Audit Committee. It comprises of four members, all of whom are non-executive directors of the Management Company including the chairman of the Committee who is an independent non-executive director.
16. The meetings of the Audit Committee were held at least once in every quarter and prior to the approval of interim and final results of the Fund as required by the Code. The terms of reference of the Committee have been approved in the meeting of the Board of Directors and the Committee has been advised to ensure compliance with those terms of reference.
17. The Board has formed an HR and Compensation Committee. It comprises of four members including CEO of whom three are non-executive directors and the chairman of the Committee is an independent director.
18. The Management Company has outsourced its internal audit function to KPMG Taseer Hadi & Co. Chartered Accountants (the Firm) who are considered suitably qualified and experienced for the purpose and are conversant with the policies and procedures of the Fund. Further, the Head of Internal Audit has been appointed during the year to act as coordinator between the Firm and the Board.
19. The statutory auditors of the Fund have confirmed that they have been given a satisfactory rating under the Quality Control Review program of the Institute of Chartered Accountants of Pakistan (ICAP), that they or any of the partners of the firm, their spouses and minor children do not hold shares of the Management Company or units of the Fund and that the firm and all its partners are in compliance with the International Federation of Accountants (IFAC) guidelines on code of ethics as adopted by the ICAP.
20. The statutory auditors or the persons associated with them have not been appointed to provide other services except in accordance with the listing regulations and the auditors have confirmed that they have observed IFAC guidelines in this regard.
21. The 'closed period', prior to the announcement of interim / final results, and business decisions, which may materially affect the market price of Funds' units, was determined and intimated to directors, employees and stock exchange.
22. Material / price sensitive information has been disseminated among all market participants at once through stock exchange.

We confirm that all other material principles enshrined in the Code have been complied with.

INDEPENDENT AUDITORS' REPORT TO THE UNIT HOLDERS

We have audited the accompanying financial statements of **Faysal Balanced Growth Fund** (the Fund), which comprise the statement of assets and liabilities as at 30 June 2013, and the related income statement, distribution statement, statement of movement in unit holders' fund and cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory notes.

Management's responsibility for the financial statements

The Management Company of the Fund is responsible for the preparation and fair presentation of these financial statements in accordance with the requirements of approved accounting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards as applicable in Pakistan. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Fund's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements give a true and fair view of the financial position of the Fund as at 30 June 2013, and of its financial performance, cash flows and transactions for the year then ended in accordance with approved accounting standards as applicable in Pakistan.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

In our opinion, the financial statements of the Fund for the year ended June 30, 2013 have been prepared, in all material respects, in accordance with the relevant provisions of Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 and Non-Banking Finance Companies and Notified Entities Regulations, 2008.

Other Matter

The financial statements of the Fund for the year ended June 30, 2012 were audited by another firm of Chartered Accountants who vide their audit report dated August 16, 2012 issued an unqualified opinion on those financial statements.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2013

1. LEGAL STATUS AND NATURE OF BUSINESS

Faysal Balanced Growth Fund (the Fund) has been established under the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules) and has been authorized as a unit trust scheme by the Securities and Exchange Commission of Pakistan (SECP) on February 18, 2004. It has been constituted under a Trust Deed, dated January 29, 2004, between Faysal Asset Management Limited (the Management Company), a company incorporated under the Companies Ordinance, 1984 and Muslim Commercial Financial Services (Private) Limited as the Trustee till June 04, 2005 and thereafter between Faysal Asset Management Limited (the Management Company) and Central Depository Company of Pakistan Limited (CDC) as the Trustee, also incorporated under the Companies Ordinance, 1984.

The Fund is an open ended balanced mutual fund and offers units for public subscription on a continuous basis. The units are transferable and can also be redeemed by surrendering to the Fund. The units are listed on the Karachi Stock Exchange Limited. The Fund was launched on April 19, 2004.

The principal activity of the Fund is to make investments in equity market and fixed income securities including money market instruments. Title to the assets of the Fund is held in the name of the Trustee.

The JCR-VIS Credit Rating Company Limited (JCR-VIS) has assigned a "MFR 1-Star" "3 years" fund rating to Faysal Balanced Growth Fund as of June 30, 2012 and has awarded an "AM3+" asset manager rating to the Management Company as of May 18, 2012.

2. STATEMENT OF COMPLIANCE

2.1 These financial statements have been prepared in accordance with approved accounting standards as applicable in Pakistan. Approved accounting standards comprise of International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board (IASB) as are notified under the Companies Ordinance, 1984, the requirements of the Trust Deed, the NBFC Rules, the Non Banking Finance Companies and Notified Entities Regulation, 2008 (the NBFC Regulations) and directives issued by the SECP. Wherever the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or the directives issued by the SECP differ with the requirements of IFRS, the requirements of the Trust Deed, the NBFC Rules, the NBFC Regulations or the requirements of the said directives shall prevail.

3. BASIS OF MEASUREMENT

3.1 These financial statements have been prepared under the historical cost convention, except for investments which are measured at fair value.

3.2 These financial statements are presented in Pak rupees, which is the Fund's functional and presentation currency.

4. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

4.1 New and amended standards and interpretations

The following amendments are effective for the year ended June 30, 2013. The adoption of this amendment does not have any significant impact on the Fund's financial statements.

NOTES TO THE FINANCIAL STATEMENTS

- IAS 1 - Presentation of Financial Statements – Presentation of Items of Other Comprehensive Income Effective from accounting period beginning on or after July 01, 2012

4.2 Element of income / loss and capital gains / losses included in prices of units sold less those in units redeemed

An equalization account called the "Element of income / (loss) and capital gains / (losses) included in prices of units sold less those in units redeemed" (the Element) is created in order to prevent the dilution of per unit income and distribution of income already paid out on redemption.

The Element is arrived at by comparing the unit prices with opening Ex - NAV at the beginning of the financial year. The Element so computed is recognized in the income statement except to the extent that the amount represented by unrealized appreciation / diminution arising on available for sale securities is included in distribution statement.

4.3 Investments

The investments of the Fund, upon initial recognition, are classified as investment at fair value through profit or loss, held to maturity, loans and receivable or available-for-sale as appropriate.

All investments, are initially measured at fair value plus, in the case of investments not at fair value through profit or loss, transaction costs that are directly attributable to acquisition.

All regular way purchases / sales of investments that require delivery within the time frame established by the regulation of market convention are recognized on the trade date, i.e. the date on which the Fund commits to purchase / sell the investment. Regular way purchases / sales of investments require delivery of securities within the period generally established by the regulation or market convention such as "T+2".

At fair value through profit or loss

This category has two sub-categories, namely; financial instruments held-for-trading, and those designated at fair value through profit or loss upon initial recognition.

- Investments which are acquired principally for the purposes of generating profit from short term fluctuation in price or are part of the portfolio in which there is recent actual pattern of short term profit taking are classified as held-for-trading.
- Investment is designated at fair value through profit or loss upon initial recognition if it eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise from measuring assets or liabilities or recognizing the gains and losses on them on different bases or it includes those group of financial assets which are managed and their performance evaluated on a fair value basis, in accordance with the documented risk management / investment strategy.

These investments are initially recognized at fair value, being the cost of the consideration given.

NOTES TO THE FINANCIAL STATEMENTS

After initial measurement, investment designated at fair value through profit or loss are carried at fair value and the gains or losses on revaluation are recognized in the income statement.

Held to maturity investments

Investment securities with fixed maturities and fixed or determinable payments are classified as 'held-to-maturity' investments when management has both the intention and ability to hold to maturity. After initial measurement, such investments are carried at amortized cost less any provision for impairment except in case of debt securities (listed but not regularly traded on a stock exchange) and government securities, which are carried at fair value in accordance with the requirements of the NBFC Regulations.

Loans and receivables

These are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. The Fund's loans and receivables comprise of bank balances, dividend, deposits and other receivables and receivables from the Management Company. These are subsequently be measured at amortized cost.

Available-for-sale investments

Investments which are not classified in any of the preceding categories are classified as available-for-sale investments. After initial measurement, such investments are measured at fair value with unrealized gain or loss recognized directly in the unit holders' fund until the investment is derecognized or determined to be impaired at which time the cumulative gain or loss previously recognized in unit holders' fund is taken to the income statement.

Fair value of investments is determined as follows:

Listed shares

These are valued on the basis of closing market prices quoted on the respective stock exchanges.

Debt securities

These are valued at the rates quoted by Mutual Funds Association of Pakistan (MUFAP) in accordance with the SECP's Circular No. 1 of 2009 dated January 06, 2009, read with Regulation 66(b) of the NBFC Regulations.

Government securities

These are valued by reference to the quotations obtained from the Reuters page.

NOTES TO THE FINANCIAL STATEMENTS

4.4 Securities under repurchase / resale agreements

Transactions of purchase under resale (reverse-repo) of marketable and government securities are entered into at contracted rates for specified periods of time. Securities purchased with a corresponding commitment to resell at a specified future date (reverse-repos) are not recognized in the statement of assets and liabilities. Amounts paid under these agreements are included in receivable in respect of reverse repurchase transactions. The difference between purchase and resale price is treated as income from reverse repurchase transactions and accrued over the tenure of the reverse-repo agreement.

Transactions of sale under repurchase (repo) of marketable and government securities are entered into at contracted rates for specified periods of time. Securities sold with a simultaneous commitment to repurchase at a specified future date (repos) continue to be recognized in the statement of assets and liabilities and are measured in accordance with accounting policies for investment securities. The counterparty liabilities for amounts received under these transactions are recorded as financial liabilities. The difference between sale and repurchase price is treated as borrowing charges and accrued over the tenure of the repo agreement.

4.5 Impairment of financial assets

An assessment is made at each statement of assets and liabilities date to determine whether there is objective evidence that a specific financial asset may be impaired. If such evidence exists, any impairment loss, is recognized in the income statement.

Impairment is determined as follows:

- (a) for assets carried at amortized cost, impairment is established when there is objective evidence that the Fund will not be able to collect all amounts due according to the original terms. The amount of the provision is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the original effective interest rate.
- (b) for assets carried at fair value, a significant or prolonged decline in the fair value of the security below its cost is considered as an indicator that the securities are impaired. If any such evidence exists, the cumulative loss measured as the difference between the acquisition cost and the current fair value, less any impairment loss on that financial asset previously recognized in other comprehensive income is reclassified from other comprehensive income and recognized in the income statement. Reversal of impairment loss is recorded as increases in cumulative changes in fair value through unit holders' fund.
- (c) for assets carried at cost, impairment is present value of future cash flows discounted at the current market rate of return for a similar financial asset.

In addition, a provision is made to cover impairment for specific groups of assets where there is a measurable decrease in estimated future cash flows.

NOTES TO THE FINANCIAL STATEMENTS

4.6 Provisions

Provisions are recognized when the Fund has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

4.7 Issue and redemption of units

Units issued are recorded at the offer price prevailing on the day on which application form, (complete in all respects) is received. The offer price represents the net asset value of units at the end of the day. Issue of units is recorded on acceptance of application for sale.

Units redeemed are recorded at the redemption price, prevailing on the day on which the redemption form (complete in all respects) is accepted. The redemption price represents the net asset value of units at the end of the day. Redemption of units is recorded on acceptance of application for redemption.

4.8 Cash and cash equivalents

Cash and cash equivalents comprise cash at banks and short-term deposits with an original maturity of three months or less. Cash and cash equivalents are carried in the statement of assets and liabilities at cost.

4.9 Revenue recognition

Gain or loss on sale of investments is accounted for in the year in which it arises.

Dividend income on equity securities is recognized in the income statement when the right to receive the dividend is established.

Unrealized gains or losses arising on revaluation of investments classified as 'financial assets at fair value through profit or loss' are included in the income statement in the period in which they arise.

Mark-up on government securities, debt securities, return on certificates of investments, profit on clean placements, return on bank balances and income from reverse repurchase agreements are recognized on a time proportion basis using effective interest rate method.

4.10 Taxation

The Fund is exempt from taxation under clause 99 of Part I of the 2nd Schedule to the Income Tax Ordinance, 2001, subject to the condition that not less than 90% of its accounting income excluding realized and unrealized capital gains for the year are distributed amongst the Fund unit holders.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of part IV of the Second Schedule to the Income Tax Ordinance, 2001.

NOTES TO THE FINANCIAL STATEMENTS

The Fund provides for deferred taxation using the balance sheet liability method on all major temporary differences between the amounts used for financial reporting purposes and amounts used for taxation purposes. In addition, the Fund also records deferred tax asset on unutilized tax losses to the extent that it is no longer probable that the related tax benefit will be realized. However, the Fund has not recognized any amount in respect of deferred tax in these financial statements as the Fund intends to continue availing the tax exemption in future years by distributing at least ninety percent of its accounting income for the year as reduced by capital gains, whether realized or Unrealized, to its unit holders every year.

4.11 Offsetting of financial assets and liabilities

Financial assets and financial liabilities are only offset and the net amount reported in the statement of assets and liabilities when there is a legally enforceable right to set off the recognized amount and the Fund intends to either settle on a net basis, or to realize the asset and settle the liability simultaneously.

4.12 Net Asset Value (NAV) per unit

The net asset value per unit disclosed in the statement of assets and liabilities is calculated by dividing the net assets of the Fund by the number of units in issue at the year end.

4.13 Earnings per unit

Earnings per unit (EPU) has not been disclosed as in the opinion of the management determination of weighted average units for calculating EPU is not practicable.

4.14 Distribution to unit holders

Dividends declared and transfers between reserves, made subsequent to the statement of assets and liabilities date are considered as non-adjusting events and are recognized in the financial statements in the period in which such dividends are declared / transfers are made.

4.15 Financial assets and financial liabilities

All financial assets and financial liabilities are recognized at the time when the Fund becomes a party to the contractual provisions of the instrument. Financial assets are derecognized when the contractual rights to receive cash flows related to the asset have been expired, realized or transferred and the Fund has transferred substantially all risks and rewards of ownership. Financial liabilities are derecognized when they are extinguished, that is, when the obligation specified in the contract is discharged, cancelled or expires. Any gain or loss on derecognition of the financial assets and financial liabilities is taken to income statement currently.

Financial assets carried in the statement of assets and liabilities include bank balances, investments, dividends, deposits and other receivables and receivable from the Management Company.

Financial liabilities carried in the statement of assets and liabilities include payable to Management Company, remuneration payable to the Trustee and accrued and other liabilities.

NOTES TO THE FINANCIAL STATEMENTS

5. ACCOUNTING ESTIMATES AND JUDGEMENTS

The preparation of financial statements requires management to make judgments, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the result of which form the basis of making judgments about carrying values of assets and liabilities. The estimates and underlying assumptions are reviewed on an ongoing basis.

The areas where various assumptions and estimates are significant to the Fund's financial statements or where judgment was exercised by the management in application of accounting policies principally relate to classification and valuation of investment (refer notes 4.3) and impairment of financial assets (refer note 4.5) in the financial assets.

6. STANDARDS, INTERPRETATIONS AND AMENDMENTS TO APPROVED ACCOUNTING STANDARDS THAT ARE NOT YET EFFECTIVE

The following standards, amendments and interpretations are only effective for accounting periods, beginning on or after the date mentioned against each of them. These standards, interpretations and the amendments are either not relevant to the Fund's operations or are not expected to have significant impact on the Fund's financial statements.

8.2.1 This represents the Fund's investment in listed and secured Participation Term Certificates (PTCs) issued by the Treet Corporation Pakistan Limited. These PTCs were issued to the existing shareholders of the company through Renounced Offer letter (ROL) and the ROLs are tradable in the market. The Fund acquired the ROLs from open market on September 14, 2012. The tenure of these PTCs is 07 years and face value of each certificate is Rs.30. The terms of the instrument are such that 3.5% of the total principal amount be redeemed in cash till November 2019 as per the repayment plan whereas the remaining 96.5% shall mandatorily be converted into ordinary shares at the pre-agreed price of Rs.59.14 per share for 2013 to 2018 and Rs.51.38 per share for 2019. The instrument carries the minimum profit of Rs. 4.14 per PTC per annum in cash and the contingent profit payment subject to the condition that the profit of the company exceeds the pre-specified limit. The cash redemption and profit payment will start from November 2013.

8.3.1 The Fund has an investment in cumulative Class A Preference Shares (preference shares) of Pak Elektron Limited (PEL) since 2004. These preference shares are listed on Lahore Stock Exchange. As per the terms of the issue, PEL has an option to redeem in cash the principal amount of preference shares i.e. Rs 10 per share alongwith all accumulated unpaid dividends. This option can be exercised by PEL till the expiry of sixty days from the maturity date of the preference shares i.e. December 02, 2013. After the expiry of the said period, there would be mandatory conversion of entire holding of preference shares alongwith all accumulated unpaid dividends into ordinary shares of PEL by giving a 30 days' notice to the issuer. The conversion shall be at the spot price as reported by the Karachi Stock Exchange on 91st calendar day after maturity date of preference shares.

The Fund regularly received dividend on these preference shares till December 2009 at the rate of 9.5%. From 2010 onwards, no dividend has been declared by the Board of Directors of PEL and accordingly the Fund, on a prudent basis, does not accrue any dividend income on these preference shares. The amount of this cumulative dividend as at June 30, 2013 aggregated to Rs 12.46 million. The management is of the view that dividend income will be recorded once the Board of Directors of PEL will declare dividend or at the time of redemption or mandatory conversion of these preference shares as mentioned above."

NOTES TO THE FINANCIAL STATEMENTS

Further, in response to the clarification sought by the Management Company through letter dated February 07, 2012, the SECP in its letter SCD/AMCW/FBGF/68/2012 dated March 09, 2012 has advised the Management Company to treat the above instrument as debt or equity instrument as per the recommendation of Audit Committee. The Audit Committee, after consultation with the internal auditors of the Fund, in its meeting held on April 21, 2012 has decided to treat the instrument as debt security.

9.1 This represents tax withheld till September 30, 2004 under Section 233(A) of the Income Tax Ordinance, 2001. This amount has been claimed as refundable in the return of income for the year ended June 30, 2005 and efforts are being made through the tax advisor of the Fund to recover the same.

9.2 This amount has been fully redeemed in cash on July 2012.

10. RECEIVABLE FROM THE MANAGEMENT COMPANY

In the matter involving the levy of Workers' Welfare Fund (WWF) on mutual funds (as fully explained in note 13.2), the Fund, as a matter of abundant caution, has created a provision for WWF since July 2008. Further, in order to compensate the unit holders of the Fund, the Board of Directors of the Management Company in their meeting held on October 02, 2010 decided to reduce their management fee for the year ended June 30, 2010 by Rs.3,230,314 i.e. the amount of provision for WWF as on June 30, 2010. Accordingly, this amount has been recorded as receivable from the Management Company and will be settled by the Management Company only upon payment of WWF to the relevant authorities otherwise it will be reversed in case decision regarding the applicability of WWF on Collective Investment Schemes is in favour of the Fund.

Federal Excise Duty on management fees		27,229	-
Sales load	11.2	-	1,103
		376,669	425,827

11.1 The Management Company is entitled to a remuneration for services rendered to the Fund under the provisions of the NBFC Regulations during the first five years of a Fund's existence of an amount not exceeding three percent of the average annual net assets of the Fund and thereafter of an amount equal to two per cent of such assets. The Management Company has charged its remuneration at the rate of 2% (June 30, 2012: 2%) per annum of the daily net asset value of the Fund.

11.2 With effect from August 30, 2012, the Management Company has discontinued its practice for charging sales load on issuance of units of the Fund.

12. REMUNERATION PAYABLE TO THE TRUSTEE

The Trustee is entitled to a monthly remuneration for services rendered to the Fund under the provisions of the Trust Deed as per the tariff specified therein, based on the daily net assets value of the Fund.

Provision for Workers' Welfare Fund	13.2	4,660,556	4,307,433
		6,336,660	5,427,589

13.1 This represents fee payable to the SECP in accordance with the NBFC Regulations, whereby the Fund is required to pay annually an amount equal to 0.085% (June 30, 2012: 0.085%) per annum of the daily net asset value of the Fund.

13.2 The Finance Act, 2008 introduced an amendment in section 2(f) of the Workers' Welfare Fund Ordinance, 1971 (the WWF Ordinance) whereby the definition of 'Industrial Establishment' has been made applicable to any establishment to which West Pakistan Shops and Establishment Ordinance, 1969 applies. As a result of this amendment, all Collective Investment Schemes (CISs) / mutual funds whose income exceeds Rs.0.5 million in a tax year have been brought within the scope of the WWF Ordinance thus rendering them liable to pay contribution to WWF at the rate of two percent of their accounting or taxable income, whichever is higher. In this regard, a constitutional petition has been filed by certain Collective Investment Schemes (CISs) through their trustees in the Honorable High Court of Sindh, challenging the applicability of WWF to the CISs, which is pending adjudication.

NOTES TO THE FINANCIAL STATEMENTS

In August 2011, Single Judge of the Lahore High Court (LHC) issued a judgment in response to a petition in similar case whereby the amendments introduced in WWF Ordinance through Finance Acts, 2006 and 2008 have been declared unconstitutional and therefore struck down.

During the year, the Larger Bench of the Sindh High Court (SHC) issued a judgment in response to a petition in another similar case in which it is held that the amendments introduced in the WWF Ordinance through Finance Acts, 2006 and 2008 do not suffer from any constitutional or legal infirmity.

MUFAP's legal council is of the view that the stay granted to mutual funds in respect of recovery of WWF remains intact and the constitution petitions filed by the Mutual Funds to challenge the Workers Welfare Fund contribution have not been affected by the Judgment passed by the Larger Bench of SHC.

As the matter relating to levy of WWF on CISs is currently pending in the High Court of Sindh, the Management Company has decided to retain and continue with the provision for WWF amounting to Rs 4,660,556 in its books of account. If the same were not made, the NAV per unit / return would have been higher by Re 0.95 per unit (1.33%).

14. CONTINGENCIES AND COMMITTEMENTS

There were no contingencies and commitments outstanding as at June 30, 2013 and June 30, 2012.

15. SALES TAX ON MANAGEMENT FEE

During the previous year, the Provincial Government has levied General Sales Tax at the rate of 16% on the remuneration of the Management Company through Sindh Sales Tax on Services Act 2011 effective from July 01, 2011.

16. FEDERAL EXCISE DUTY ON MANAGEMENT FEE

During the current year, the Federal Government, through Finance Bill 2013, has levied Federal Excise Duty at the rate of 16% on the remuneration of the Management Company which is effective from June 13, 2013.

NOTES TO THE FINANCIAL STATEMENTS

18. TAXATION

The Fund's income is exempt from income tax as per Clause (99) of Part I of the Second Schedule of the Income Tax Ordinance, 2001 subject to the condition that not less than 90% of the accounting income for the year as reduced by capital gains whether realized or unrealized is distributed amongst the unit holders. The Fund has not recorded tax liability in respect of income relating to the current year as the Management Company intends to distribute more than 90 percent of the Fund's accounting income for the year as reduced by capital gains (whether realized or unrealized) to its unit holders.

19. TRANSACTIONS WITH CONNECTED PERSONS / RELATED PARTIES

Connected persons of the Fund include the Management Company, other collective investment schemes being managed by the Management Company, Faysal Bank Limited being the holding company of the Management Company, the Trustee, directors and key management personnel and other associated undertaking.

NOTES TO THE FINANCIAL STATEMENTS

20. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Fund's objective in managing risk is the creation and protection of unit holders' value. Risk is inherent in the Fund's activities, but it is managed through monitoring and controlling activities which are primarily set up to be performed based on limits established by the Management Company, Fund's constitutive documents and the regulations and directives of the SECP. These limits reflect the business strategy and market environment of the Fund as well as the level of the risk that Fund is willing to accept. The Board of Directors of the Management Company supervises the overall risk management approach within the Fund (also refer Annexure I to these financial statements which describes the risk management structure of the Fund). The Fund is exposed to market risk, liquidity risk and credit risk arising from the financial instruments it holds.

20.1 Market risk

Market risk is the risk that the fair value or future cash flows of financial instruments will fluctuate due to changes in market variables such as interest rates, foreign exchange rates and equity prices.

(i) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. As of June 30, 2013, the Fund's exposure to the risk of changes in market interest rates relates primarily to bank balances. The bank balances are subject to interest rates as declared by the respective banks on periodic basis.

a) Sensitivity analysis of variable rate instruments

As at June 30, 2013, the Fund does not hold any variable interest based investment except balances with bank in deposit account exposing the Fund to cash flow interest rate risk. In case of 100 basis points increase / decrease in KIBOR on June 30, 2013, with all other variables held constant, the net assets of the Fund and net income for the year would have been higher / lower by Rs. 0.180 million (2012: Rs. 0.738 million).

b) Sensitivity analysis of fixed rate instruments

The Fund is exposed to fixed rate on certain financial assets. However, a change in their interest rates at the reporting date would not have material impact on the income and net assets of the Fund.

(ii) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. The Fund does not have any financial instruments in foreign currencies and hence is not exposed to such risk.

NOTES TO THE FINANCIAL STATEMENTS

(iii) Equity price risk

Equity price risk is the risk of volatility in share prices resulting from their dependence on market sentiments, speculative activities, supply and demand for shares and liquidity in the market. The equity price risk exposure arises from the Fund's investment in equity securities. The value of investments may fluctuate due to change in business cycles affecting the business of the company in which the investment is made, change in business circumstances of the company, its business sector, industry and / or the economy in general. Management of the Fund estimates that a 5% increase or decrease in the overall equity prices in the market with all other factors remaining constant would result in increase or decrease of Fund's net assets by Rs.1.951 million (June 30, 2012: Rs.5.066 million). However, in practice, the actual results may differ from the sensitivity analysis.

The Management Company manages the above market risks through diversification of investment portfolio and placing limits on individual and aggregate exposures in accordance with the internal risk management policies and regulations laid down by the SECP.

The analysis of Funds concentration on equity price risk is disclosed in note 8.1 and 8.4 to these financial statements.

20.2 Liquidity risk

Liquidity risk is defined as the risk that the Fund will encounter difficulty in meeting obligations associated with financial liabilities. Liquidity risk arises because of the possibility that the Fund could be required to pay its liabilities earlier than expected. The Fund is exposed to cash redemptions of its redeemable units on a regular basis. Units are redeemable at the unit holders' option based on the Fund's net asset value per unit at the time of redemption calculated in accordance with the Fund's constitutive documents.

The table below summarizes the maturity profile of the Fund's financial liabilities based on contractual undiscounted payments.

The Fund has sufficient liquidity in the form of bank balances and liquid investments to pay off these liabilities.

20.3 Credit risk

Credit risk is the risk that the counterparty to a financial instrument will cause a financial loss for the Fund by failing to discharge its obligation. The Fund's policy is to enter into financial contracts with reputable counter parties in accordance with the internal guidelines, offering document and regulatory requirements. The table below analyses the Fund's maximum exposure to credit risk. None of these assets are impaired nor past due. The maximum exposure is shown below, before the effect of mitigation through the use of collateral agreements at reporting date:

	<u>58,137,806</u>	<u>109,651,384</u>

Concentration of credit risk exists when changes in economic or industry factors affect the group of counterparties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. The Fund's portfolio of financial assets is broadly diversified and transactions are entered into with diverse credit worthy counterparties thereby mitigating any significant concentration of credit risk. The table below analyses the credit quality of the Fund's exposure:

21. FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is the amount for which an asset could be exchanged, or a liability settled, between knowledgeable willing parties in an arm's length transaction.

The carrying value of all financial assets and liabilities reflected in the financial statements approximate their fair values.

21.1 Fair value hierarchy

The Fund uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

- Level 1: quoted prices in active markets for identical assets.
- Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.
- Level 3: techniques which use inputs which have a significant effect on the recorded fair value that are not based on observable market data.

NOTES TO THE FINANCIAL STATEMENTS

As at June 30, 2013, the Fund held the following financial instruments which were measured at fair value:

	June 30, 2013			Total

During the year ended June 30, 2013, there were no transfers between level 1 and level 2 fair value measurements, and no transfers into and out of level 3 fair value measurements.

22 Capital management

The capital of the Fund is represented by the net assets attributable to holders of redeemable units. The capital structure depends on the issuance and redemption of units. The Fund's objective when managing unit holders' fund is to safeguard the Fund's ability to continue as a going concern in order to seek maximum preservation of unit holders' fund and an optimum rate of return by investing in avenues having good credit rating and liquidity and to maintain a strong capital base to support the development of the investment activities of the Fund.

NOTES TO THE FINANCIAL STATEMENTS

23. SUBSEQUENT EVENT
