DIRECTORS' REPORT

The Board of Directors of NBP Fullerton Asset Management Limited is pleased to present the Seventh Annual Report of NAFA Multi Asset Fund (NMF) for the year ended June 30, 2013.

Fund's Performance

During FY2012-13, the stock market (KSE-100 Index) surged by 52.2%. The positive trend in the market resulted from the combined effect of declining inflation and pursuant reduction in interest rates, improved trading activity and healthy foreign flows. Furthermore, investor confidence was boosted by first democratic transition of power in the history of Pakistan, and improved profitability outlook of the key sectors of the market.

With letup in inflationary pressures and manageable external account position, SBP slashed the Policy Rate during FY13 by 300 bps to 9%. On the corporate debt sphere, yields on the corporate bonds in the secondary market squeezed due to the price appreciation on the back of decline in interest rates, higher risk appetite of the investors, and limited primary issuance. Most TFCs in the Fund are floating rate linked to KIBOR.

During the fiscal year, the return on NAFA Multi Asset Fund was 34.12% as against its benchmark (50% KSE-30 Index, 50% 3-Month KIBOR) return of 22.36%. Thus an out-performance of 11.76% was witnessed during the year. This out-performance is due to timely asset allocation. Since, launch (January 22, 2007) the Fund has risen by 129.07%, whereas the benchmark has risen by 64.13%.

NAFA Multi Asset Fund has earned a total income of Rs.239.69 million during the year. After deducting total expenses of Rs.24.28 million, the net income is Rs.205.41 million.

The asset allocation of NAFA Multi Asset Fund as on June 30, 2013 is as follows:

Income Distribution

In addition to interim distribution of 4% of opening ex-NAV(4.158% of the par value), the Board of Directors of the Management Company has also approved a final distribution of 20.60%, translating into total distribution of 24.60% of opening ex-NAV (25.569% of the par value). After final distribution, the net asset value per unit will be Rs.11.3423 on June 30, 2013.

Taxation

As the above distribution is more than 90% of the income earned during the year, excluding realized and unrealized capital gains on investments, the Fund is not subject to tax under Clause 99 of the Part I of the Second Schedule of the Income Tax Ordinance, 2001.

Auditors

The present auditors, Messrs M. Yousuf Adil Saleem & Co., Chartered Accountants, retire and, being eligible, offer themselves for re-appointment for the year ending June 30, 2014.

Directors' Statement in Compliance with Code of Corporate Governance

1. The financial statements, prepared by the management company, present fairly the state of affairs of the Fund, the result of its operations, cash flows and statement of movement in unit holders' funds.
2. Proper books of account of the Fund have been maintained.
3. Appropriate accounting policies have been consistently applied in preparation of financial statements. Accounting estimates are based on reasonable and prudent judgment.
4. International Financial Reporting Standards, as applicable in Pakistan, have been followed in preparation of financial statements.
5. The system of internal control is sound in design and has been effectively implemented and monitored.
6. There are no significant doubts upon the Fund's ability to continue as a going concern.
7. There has been no material departure from the best practices of Corporate Governance, as detailed in the listing regulations.
8. A performance table/ key financial data is given in this annual report.
9. Outstanding statutory payments on account of taxes, duties, levies and charges, if any, have been fully disclosed in the financial statements.
10. The Board of Directors of the Management Company held five meetings during the current financial year. The attendance of all directors is disclosed in the note 24 to these financial statements.
11. The detailed pattern of unit holding is disclosed in the note 23 to these financial statements.
12. All trades in the units of the Fund, carried out by directors, CEO, CFO, Company Secretary and their spouses and minor children are disclosed in note 20 to these financial statements.

Acknowledgement

The Board takes this opportunity to thank its valued unit-holders for their confidence and trust in the Management Company, and providing the opportunity to serve them. It also offers its sincere gratitude to the Securities & Exchange Commission of Pakistan and State Bank of Pakistan for their patronage and guidance.

The Board also wishes to place on record its appreciation for the hard work, dedication and commitment shown by the staff and the Trustee.

STATEMENT OF COMPLIANCE WITH THE CODE OF CORPORATE GOVERNANCE NAFA MULTI ASSET FUND FOR THE YEAR ENDED JUNE 30, 2013

This statement is being presented by the Board of Directors of NBP Fullerton Asset Management Limited (Company), the Management Company of **NAFA Multi Asset Fund** (the Fund) to comply with the Best Practices of Code of Corporate Governance (CCG) contained in Regulation No. 35, Chapter XI of Listing Regulations of Lahore Stock Exchange for the purpose of establishing a framework of good governance, whereby a listed company is managed in compliance with the best practices of corporate governance.

NBP Fullerton Asset Management Limited, though an un-listed Public Limited Company complies with the CCG as the Fund under its management is listed on Lahore Stock Exchange.

The Company has applied the principles contained in the CCG in the following manner:

1. The Company encourages representation of independent non-executive directors on its Board of Directors. The Company, being an un-listed company, does not have any minority interest. At present the Board includes:

Category	Names
Independent Directors	1. Mr. Kamal Amir Chinoy 2. Mr. Shehryar Faruque
Executive Directors	Dr. Amjad Waheed (Chief Executive Officer)
Non- Executive Directors	1. Mr. Asif Hassan (Chairman) 2. Mr. Khalid Mahmood 3. Mr. Amir Shehzad 4. Mr. Wah Geok Sum 5. Mr. Koh Boon San

The independent directors meet the criteria of independence under clause i (b) of the CCG.

2. The directors have confirmed that none of them is serving as a director of more than seven listed companies, including this Company (excluding the listed subsidiaries of listed holding companies where applicable). However, the requirement of serving as a director of seven listed companies is applicable from the date of next election of directors.
3. All the resident directors of the Company are registered as taxpayers and none of them has defaulted in payment of any loan to a banking company, a DFI or an NBFI or, being a member of a stock exchange, has been declared as a defaulter by that stock exchange.
4. Two casual vacancies were occurred on the board on February 26, 2013 and on May 20, 2013 during the year which were filled up by the directors on April 11, 2013 and May 20, 2013 respectively.
5. The Management Company has prepared a "Code of Conduct" and has ensured that appropriate steps have been taken to disseminate it throughout the company along with its supporting policies and procedures.

6. The Board has developed a vision/mission statement, overall corporate strategy and significant policies of the Fund. A complete record of particulars of significant policies along with the dates on which they were approved or amended has been maintained.
7. All the powers of the Board have been duly exercised and decisions on material transactions, including appointment and determination of remuneration and terms and conditions of employment of the CEO have been taken by the Board. There is no other executive-director of the Company besides CEO.
8. The meetings of the Board were presided over by the Chairman and, in his absence, by a director elected by the Board for this purpose and the Board met at least once in every quarter. Written notices of the Board meetings, along with agenda and working papers, were circulated at least seven days before the meetings. The minutes of the meetings were appropriately recorded and circulated.
9. In order to apprise the directors on their duties and responsibilities and requirements of CCG, the code requires company to conduct formal orientation for directors. Up to 30 June 2013, one of the directors has obtained the director's training program offered by Pakistan Institute of Corporate Governance. The Company has started the process for training of other directors and it is expected that some of other directors may also obtain certification of the director's training program in upcoming year. However, the directors are conversant with the relevant laws applicable to the Company, its policies and procedures and provisions of memorandum and articles of association and are aware of their duties and responsibilities.
10. The Board has approved appointment of CFO, Company Secretary and Head of Internal Audit, including their remuneration and terms and conditions of employment.
11. The Directors' report for this year has been prepared in compliance with the requirements of the CCG and fully describes the salient matters required to be disclosed.
12. The financial statements of the Fund were duly endorsed by CEO and CFO before approval of the Board.
13. The Directors, CEO and executives do not hold any interest in the units of the Fund other than that disclosed in note 20 to the financial statements "Transactions with Connected Persons".
14. The Company has complied with all the corporate and financial reporting requirements of the CCG.
15. The Board has formed an Audit Committee. It comprises of three members, of whom all are non-executive directors and the chairman of the committee is an independent director.
16. The meetings of the audit committee were held at least once every quarter prior to approval of interim and final results of the Fund and as required by the CCG. The revised terms of reference of the committee have been formed and advised to the committee for compliance.
17. The Board has formed a Human Resource and Remuneration Committee. It comprises of three members. All the members are non-executive directors and the chairman of the committee is a non-independent director.
18. The Board has set up an effective internal audit function.

19. The statutory auditors of the Fund have confirmed that they have been given a satisfactory rating under the Quality Control Review Program of the Institute of Chartered Accountants of Pakistan (ICAP), that they or any of the partners of the firm, their spouses and minor children do not hold units of the Fund and that the firm and all its partners are in compliance with International Federation of Accountants (IFAC) guidelines on code of ethics as adopted by ICAP.
20. The statutory auditors or the persons associated with them have not been appointed to provide other services except in accordance with the listing regulations and the auditors have confirmed that they have observed IFAC guidelines in this regard.
21. There was no 'closed period' prior to the announcement of interim/final results.
22. Material / price sensitive information has been disseminated amongst all market participants at once through stock exchange.
23. We confirm that all other material principles contained in the CCG have been complied with.

FUND MANAGER REPORT

NAFA Multi Asset Fund

NAFA Multi Asset Fund (NMF) is an open-ended balanced fund.

Investment Objective of the Fund

Objective of NMF is to provide investors with a combination of capital growth and income by investing in a variety of asset classes such as stocks, bonds, money market instruments, Margin Trading System (MTS). Thus main investment classes for the Fund are Equity and Fixed Income with a maximum range of 70% in any asset classes at a point in time. The risk profile of the fund is moderate.

Benchmark

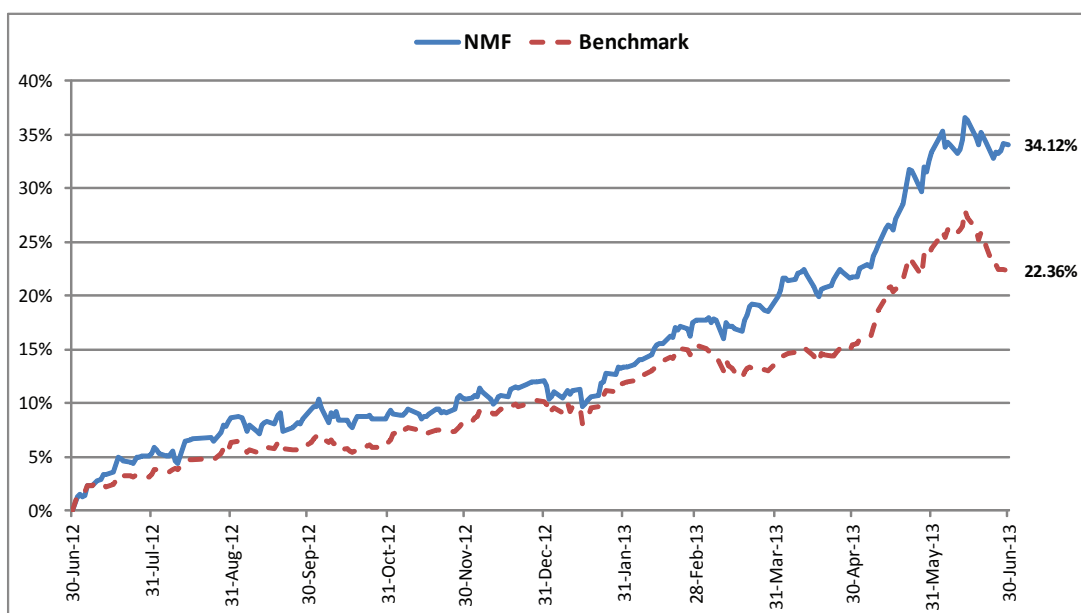

50% 3-Month KIBOR and 50% KSE-30 Index

Fund Performance Review

During the year under review, NAFA Multi Asset Fund's (NMF) Net Asset Value (NAV) increased by 34.12%, whereas the benchmark, 50% KSE-30 Index and 50% 3-month KIBOR, increased by 22.36%, thus an out-performance of 11.76% was recorded. Since inception on January 22, 2007, the NAV of NMF has risen by 129.07% while the benchmark has increased by 64.13%, thus to date cumulative outperformance is 64.94%. The outperformance of the Fund is net of management fee and all other expenses. Thus, NMF has met its investment objective.

NMF outperformed during the year on the back of timely asset allocation and better than the market performance of its key holdings in the Oil & Gas, Electricity, and Construction & Materials sectors. Further, the Fund was underweight in key stocks in Chemicals sector that lagged the market, thereby contributing to its out-performance.

NMF Performance vs. Benchmark during FY13

At the start of the year, NMF was around 52% invested in equities. During the year, we altered the allocation of the Fund based on the expected performance of different asset classes. Towards the end of the year, the allocation in equities was reduced to around 32%.

Key factors driving the upbeat performance of the stock market during the year include: (i) 360bps decline in inflation to 7.4% and 300bps cut in discount rate to 9.0%; (ii) first democratic transition of power in the history of Pakistan; (iii) increased foreign participation with net foreign inflow of USD553mn and; (iv) improved profitability outlook of the key sectors of the market.

With letup in inflationary pressures and manageable external account position, SBP slashed the Policy Rate during FY13 by 300 bps to 9%. On the corporate debt sphere, yields on the corporate bond in the secondary market squeezed amid ample liquidity in the market on the back of incessant government borrowing, elevated risk appetite of the investors in search of yield, and limited primary issuance. All corporate TFCs/ sukuks in the Fund are floating rate linked to KIBOR.

During the period under question:

There have been no significant changes in the state of affairs of the Fund other than stated above. The Management Company or its delegates did not receive any soft commission (i.e. goods and services) from its broker(s)/dealer(s) by virtue of transactions conducted by the Fund.

Workers' Welfare Fund (WWF)

The scheme has maintained provisions against Workers' Welfare Fund's liability to the tune of Rs 9,677,762/-. If the same were not made the NAV per unit/return of scheme for the year ended June 30, 2013 would have been higher by Rs.0.1631/1.21%. For details investors are advised to read the Note 16 of the Financial Statements of the Scheme for the year ended 30, June 2013.

REVIEW REPORT TO THE UNIT HOLDERS ON STATEMENT OF COMPLIANCE WITH BEST PRACTICES OF THE CODE OF CORPORATE GOVERNANCE

We have reviewed the Statement of Compliance with the best practices contained in the Code of Corporate Governance (the Code) prepared by the Board of Directors of the **NBP Fullerton Asset Management Limited**, the Management Company of **NAFA Multi Asset Fund** (the Fund) to comply with the Listing Regulation No. 35 (Chapter XI) of the Lahore Stock Exchange Limited, where the Fund is listed.

The responsibility for compliance with the Code is that of the Board of Directors of the Management Company. Our responsibility is to review, to the extent where such compliance can be objectively verified, whether the Statement of Compliance reflects the status of the Fund's compliance with the provisions of the Code (the Statement) and report if it does not. A review is limited primarily to inquiries of the Management Company personnel and review of various documents prepared by the Management Company to comply with the Code.

As part of our audit of financial statements, we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board's statement on internal control covers all risks and controls, or to form an opinion on the effectiveness of such internal controls, the Management Company's corporate governance procedures and risks.

Further, the Listing Regulation of the Lahore Stock Exchange Limited requires the Management Company to place before the Board of Directors for their consideration and approval related party transactions distinguishing between transactions carried out on terms equivalent to those that prevail in arm's length transactions and transactions which are not executed at arm's length price recording proper justification for using such alternate pricing mechanism. Further, all such transactions are also required to be separately placed before the audit committee. We are only required and have ensured compliance of requirement to the extent of approval of related party transactions by the Board of Directors and placement of such transactions before the audit committee. We have not carried out any procedures to determine whether the related party transactions were under taken at arm's length price or not.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Management Company's compliance, in all material respects, with the best practices contained in the Code of Corporate Governance as applicable to the Fund for the year ended June 30, 2013.

INDEPENDENT AUDITORS' REPORT TO THE UNIT HOLDERS

Report on the Financial Statements

We have audited the accompanying financial statements of **NAFA Multi Asset Fund** (the Fund), which comprise the statement of assets and liabilities as at June 30, 2013, and the related income statement, statement of comprehensive income, cash flow statement, distribution statement and statement of movements in unit holders' funds for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

NBP Fullerton Asset Management Limited (the Management Company) is responsible for the preparation and fair presentation of these financial statements in accordance with the approved accounting standards as applicable in Pakistan, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards as applicable in Pakistan. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements give a true and fair view of the financial position of the Fund as at June 30, 2013, and of its financial performance, its cash flows and transactions for the year then ended in accordance with approved accounting standards as applicable in Pakistan.

Report on other legal and regulatory requirements

In our opinion, the financial statements have been prepared in accordance with the relevant provisions of the Non- Banking Finance Companies (Establishment and Regulation) Rules, 2003 and Non- Banking Finance Companies and Notified Entities Regulations, 2008.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2013

1 LEGAL STATUS AND NATURE OF BUSINESS

The NAFA Multi Asset Fund (the Fund) was established under a Trust Deed executed between NBP Fullerton Asset Management Limited, a company incorporated under the Companies Ordinance, 1984, as Management Company and Central Depository Company of Pakistan Limited (CDC), also incorporated under the Companies Ordinance, 1984, as Trustee. The Trust Deed was executed on December 6, 2006 and was authorised by the Securities and Exchange Commission of Pakistan (SECP) on December 20, 2006 in accordance with the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (NBFC Rules).

The Management Company of the Fund has been licensed to act as an Asset Management Company under the NBFC Rules through a certificate of registration issued by the SECP. The registered office of the Management Company was situated at 9th Floor, Adamjee House, I.I. Chundrigar Road, Karachi. From 4 February 2013, the registered office of the Management Company is shifted to 7th floor, Clifton Diamond Building, Block No. 4, Scheme No. 5, Clifton, Karachi. The Management Company is also the member of MUFAP.

The Fund is an open-ended mutual fund classified as a balanced scheme by the Management Company and is listed on the Lahore Stock Exchange. Units are offered for public subscription on a continuous basis. These units are transferable and can be redeemed by surrendering them to the Fund.

The core objective of the Fund is to provide its investors with a combination of capital growth and income. The Fund aims to achieve attractive returns at moderate levels of risk by investing in a variety of asset classes such as stocks, bonds, money market instruments etc.

The Pakistan Credit Rating Agency Limited (PACRA) has assigned an asset manager rating of 'AM2' to the Management Company. Based on the performance of the Fund for the year ended June 30, 2012, it has been assigned short and long term performance ranking of '4 star'.

Title of the assets of the Fund is held in the name of Central Depository Company of Pakistan Limited as Trustee of the Fund.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the approved accounting standards as applicable in Pakistan. Approved accounting standards comprise of such International Financial Reporting Standards (IFRS) issued by the International Accounting Standards Board as are notified under the Companies Ordinance, 1984, the Non-Banking Finance Companies (Establishment and Regulation) Rules, 2003 (the NBFC Rules), the Non-Banking Finance Companies and Notified Entities Regulations, 2008 (the NBFC Regulations) and directives issued by the Securities and Exchange Commission of Pakistan (SECP). Wherever the requirements of the NBFC Rules, the NBFC Regulations or directives issued by the SECP differ with the requirements of IFRS, the NBFC Rules, the NBFC Regulations or the directives issued by the SECP shall prevail.

2.2 Basis of Measurement

These financial statements have been prepared under the historical cost convention, except for the investments which are stated at fair value.

2.3 Functional and presentation currency

These financial statements are presented in Pak Rupees, which is the functional and presentation currency of the Fund. Figures have been rounded off to the nearest thousand rupees, except otherwise stated.

2.4 New accounting standards / amendments and IFRS interpretations that are effective for the year ended June 30, 2013

The following standards, amendments and interpretations are effective for the year ended June 30, 2013. These standards, interpretations and the amendments are either not relevant to the Company's operations or are not expected to have significant impact on the Company's financial statements other than certain additional disclosures.

Amendments to IAS 1 - Presentation of Financial Statements –
Presentation of Items of Other Comprehensive Income

'Effective from accounting period beginning on or after
July 01, 2012

New accounting standards and IFRS interpretations that are not yet effective

The following standards, amendments and interpretations are only effective for accounting periods, beginning on or after the date mentioned against each of them. These standards, interpretations and the amendments are either not relevant to the Company's operations or are not expected to have significant impact on the Company's financial statements other than certain additional disclosures.

Amendments to IAS 1 - Presentation of Financial Statements – Clarification of Requirements for Comparative information	Effective from accounting period beginning on or after January 01, 2013

Other than the aforesaid standards, interpretations and amendments, the International Accounting Standards Board (IASB) has also issued the following standards which have not been adopted locally by the Securities and Exchange Commission of Pakistan:

- IFRS 1 – First Time Adoption of International Financial Reporting Standards
- IFRS 9 – Financial Instruments
- IFRS 10 – Consolidated Financial Statements
- IFRS 11 – Joint Arrangements
- IFRS 12 – Disclosure of Interests in Other Entities
- IFRS 13 – Fair Value Measurement
- IAS 27 (Revised 2011) – Separate Financial Statements due to non-adoption of IFRS 10 and IFRS 11
- IAS 28 (Revised 2011) – Investments in Associates and Joint Ventures due to non- adoption of IFRS 10 and IFRS 11

2.5 Critical accounting judgments and estimates

The preparation of financial statements in conformity with approved accounting standards requires the use of certain critical accounting estimates, judgments and assumptions that affect the reported amounts of assets and liabilities and income and expenses. It also requires management to exercise its judgment in the process of applying the Fund's accounting policies. Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Actual results may differ from these estimates.

In the process of applying the Fund's accounting policies, management has made the following estimates and judgments which are significant to the financial statements.

- (a) classification of investments (Note 3.2.1)
- (b) impairment (Note 3.2.5)
- (c) provisions (Note 3.9)

3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied unless otherwise stated.

3.1 Cash and cash equivalents

Cash comprises current and saving accounts with banks. Cash equivalents are short-term highly liquid investments that are readily convertible to known amounts of cash, are subject to insignificant change in value, and are held for the purpose of meeting short-term cash commitments rather than for investment or other purposes.

3.2 Financial assets

3.2.1 Classification

The management of the Fund determines the appropriate classification of its investments at the time of purchase and classifies these investments at fair value through profit or loss - held-for-trading, loans and receivables or available-for-sale.

a) **Investments at fair value through profit or loss - held-for-trading**

An investment that is acquired principally for the purpose of generating profit from short-term fluctuations in prices is classified as 'fair value through profit or loss - held-for-trading'.

b) **Loans and receivables**

These are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market.

c) **Available for sale**

Available-for-sale financial assets are those non-derivative financial assets that are designated as available-for-sale or are not classified as (i) loans and receivables, (ii) held to maturity investments or (iii) financial assets at fair value through profit and loss.

3.2.2 Regular way contracts

All regular purchases / sales of investments are recognized on the trade date i.e. the date that the Fund commits to purchase / sell the investments. Purchases / sales of investments require delivery of securities within the time frame established by the regulations.

3.2.3 Initial recognition and measurement

Financial assets are initially recognised at fair value plus transaction costs except for financial assets carried 'at fair value through profit or loss'. Financial assets carried 'at fair value through profit or loss' are initially recognised at fair value and transaction costs are recognised in the 'income statement'.

3.2.4 Subsequent measurement

Subsequent to initial recognition, financial assets designated by the management as 'at fair value through profit or loss' and 'available for sale' are valued as follows:

a) **Basis of valuation of debt securities**

The investment of the Fund in debt securities is valued on the basis of rates determined by the Mutual Fund Association of Pakistan (MUFAP) in accordance with the methodology prescribed by SECP for valuation of debt securities vide its circular no. 1 of 2009 dated January 6, 2009 and circular no. 33 of 2012 dated October 24, 2012. In the determination of the rates MUFAP takes into account the holding pattern of these securities and categorises them as traded, thinly traded and non-traded securities. The circular also specifies the valuation process to be followed for each category as well as the criteria for the provisioning of non-performing debt securities.

b) **Basis of valuation of government securities**

The investment of the Fund in government securities is valued on the basis of rates announced by the Financial Markets Association of Pakistan.

c) **Basis of valuation of equity securities**

The investment of the Fund in equity securities is valued on the basis of closing quoted market prices available at the stock exchange.

Investments of the Fund in unquoted equity securities are carried at lower of investment price or their break-up value as per the latest audited financial statements.

Net gains and losses arising from changes in the fair value of financial assets carried 'at fair value through profit or loss' are taken to the 'income statement'.

Net gains and losses arising from changes in fair value of 'available for sale' financial assets are taken to the 'statement of comprehensive income' until these are derecognised or impaired. At this time, the cumulative gain or loss previously recognised directly in the 'statement of comprehensive income' is transferred to the 'income statement'.

Subsequent to initial recognition, financial assets classified as 'loans and receivables' are carried at amortised cost using the effective interest method.

Gains or losses are also recognised in the 'income statement' when financial assets carried at amortised cost are derecognised or impaired, and through the amortisation process.

3.2.5 Impairment of financial assets

The carrying value of the Fund's assets are reviewed at each reporting date to determine whether there is any indication of impairment. If such an indication exists, the recoverable amount of such asset is estimated. An impairment loss is recognised whenever, the carrying amount of an asset exceeds its recoverable amount. Impairment losses are recognised in the 'Income Statement'.

a) Debt securities

Provision for non-performing debt securities is made on the basis of time based criteria as prescribed under circular no. 33 of 2012 dated October 24, 2012 issued by the SECP. Impairment losses recognised on debt securities can be reversed through the 'Income Statement'.

As allowed under circular no. 13 of 2009 dated May 4, 2009 issued by the SECP, the management may also make provision against debt securities over and above the minimum provision requirement prescribed in the aforesaid circular, in accordance with a provisioning policy approved by the Board of Directors and disseminated by the Management Company in its website.

b) Equity securities

For equity securities classified as 'available for sale', a significant or prolonged decline in the fair value of the security below its cost is considered, among other indicators, as an indicator that the security is impaired. If any such evidence exists for 'available for sale' financial assets, the cumulative loss measured as the difference between the acquisition cost and the current fair value, less any impairment loss on that financial asset previously recognised in 'income statement' is reclassified from 'unit holders' fund' to 'income statement'. Impairment losses recognised on equity instruments are not reversed through the 'income statement'.

c) Loans and receivables

For financial assets classified as 'loans and receivables', a provision for impairment is established when there is objective evidence that the Fund will not be able to collect all amounts due according to the original terms. The amount of the provision is the difference between the assets carrying value and present value of estimated future cash outflows, discounted at the original effective interest rate.

3.2.6 Derecognition

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership.

3.2.7 Offsetting of financial assets and financial liabilities

Financial assets and financial liabilities are offset and the net amount is reported in the 'Statement of Assets and Liabilities' when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis, or realise the assets and settle the liabilities simultaneously.

3.3 Derivatives

Derivative instruments are initially recognised at fair value and subsequent to initial measurement each derivative instrument is remeasured to its fair value and the resultant gain or loss is recognised in the 'income statement'.

3.4 Securities under repurchase / resale agreements

Transactions of purchase under resale (reverse-repo) of marketable and government securities are entered into at contracted rates for specified periods of time. Securities purchased with a corresponding commitment to resell at a specified future date (reverse-repo) are not recognised in the Statement of Assets and Liabilities. Amount paid under these agreements are included in receivable in respect of reverse repurchase transactions. The difference between purchase and resale price is treated as income from reverse repurchase transactions and accrued over the life of the reverse-repo agreement.

All reverse repo transactions are accounted for on the settlement date.

3.5 Financial liabilities

All financial liabilities are recognised at the time when the Fund becomes a party to the contractual provisions of the instrument. These are initially recognised at fair value and subsequently stated at amortised cost.

3.6 Preliminary expenses and floatation costs

Preliminary expenses and floatation costs represent expenditure incurred prior to the commencement of operations of the Fund. These costs are being amortised over a period of five years in accordance with the requirements set out in the Trust Deed of the Fund and the Non-Banking Finance Companies and Notified Entities Regulations, 2008.

3.7 Issue and redemption of units

Units issued are recorded at the offer price, determined by the Management Company for the applications received by the distributors during business hours on that day. The offer price represents the Net Asset Value per unit as of the close of the business day plus the allowable sales load, provision for transaction costs and any provision for duties and charges, if applicable. The sales load is payable to the Management Company, investment facilitators or distributors. Transaction costs are recorded as income of the Fund.

Units redeemed are recorded at the redemption price, applicable to units for which the distributors receive redemption applications during business hours on that day. The redemption price represents the Net Asset Value per unit as of the close of the business day less any back-end load, any duties, taxes, charges on redemption and any provision for transaction costs, if applicable.

3.8 Element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed

An equalisation account called the 'element of income / (loss) and capital gains / (losses) included in prices of units issued less those in units redeemed' is created, in order to prevent the dilution of per unit income and distribution of income already paid out on redemption.

Element of income / (loss) and capital gains / (losses) included in the prices of units issued less those in units redeemed is determined based on the income earned during the period and on unrealised appreciation / (diminution) arising during the year on available for sale securities. The amount so determined is taken directly to the distribution statement.

3.9 Provisions

Provisions are recognised when the Fund has a present, legal or constructive, obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are regularly reviewed and adjusted to reflect the current best estimate.

3.10 Revenue recognition

- Realised capital gains / (losses) arising on sale of investments are included in the 'income statement' on the date at which the transaction takes place.
- Unrealised gains / (losses) arising on revaluation of investments classified as financial assets 'at fair value through profit or loss' are included in the 'income statement' in the period in which they arise.
- Dividend income is recognised when the right to receive the dividend is established.
- Markup / return on government securities, term finance certificate, sukuks, commercial papers, clean placements, bank balances and term deposit receipts are recognized on a time proportion basis using the effective interest method.

3.11 Taxation

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than ninety percent of its accounting income for the year, as reduced by capital gains, whether realised or unrealised, is distributed among the unit holders.

The Fund is also exempt from the provisions of section 113 (minimum tax) under clause 11A of Part IV of the Second Schedule to the Income Tax Ordinance, 2001.

3.12 Proposed distributions

Distributions declared subsequent to the year end are considered as non-adjusting events and are recognised in the financial statements of the period in which such distributions are declared.

- 5.5.1 This represents investment in privately placed sukuk bonds with a term of six years. On September 03, 2011, the borrower has defaulted its scheduled principal and profit payment and therefore it was classified as Non performing asset (NPA) by MUFAP. On October 2, 2012, the Sukuk holders have stopped additional provisioning from mentioned date on above sukuks in following the advice provided by Securities & Exchange Commission of Pakistan (SECP). Carrying value of sukuks as at June 30, 2013 before provision is Rs. 79.408 million (net off provision Rs. 31.76 million). The Management Company considers that the Fund is receiving payments on timely basis after restructuring and the relaxation provided by the SECP is still intact; hence no additional provision has been provided in the financial statements.
- 5.5.2 New Allied Electronics Industries (Private) Limited defaulted on the amount of principal and mark-up due on the scheduled redemption dates [i.e. October 25, 2008 (only principal), January 25, 2009, April 25, 2009, July 25, 2009 and October 25, 2009]. The amount of provision as per circular no 1 of 2009 and circular 33 of 2012 has been maintained by valuing the investment in terms of the said circular.
- 5.5.3 This represents investment in privately placed sukuk bonds issue with a term of seven years. The issuer defaulted on payment of principal and profit to certain sukuk holders due to which it was rated as 'Defaulter' by the MUFAP. The amount of provision as per circular no 1 of 2009 and circular 33 of 2012 has been maintained by valuing the investment in terms of the said circular.
- 5.5.4 This represents investment in privately placed sukuk bonds with a term of five years. On May 06, 2011, the borrower has defaulted its scheduled principal and profit payment and therefore it was classified as NPA by MUFAP. The management has recognised provision for impairment amounting to Rs. 5.56 million which has been freezed since prior year. Management considers that since the Fund is receiving timely payments from borrower; hence no additional provision is required (as per minimum provisioning criteria defined in circular 33 of 2012).
- 5.5.5 The Sukuks held by the Fund are generally secured against hypothecation of stocks and receivables and mortgage of fixed assets of the issuer.

16 PROVISION FOR WORKERS' WELFARE FUND

The Finance Act 2008 introduced an amendment to the Workers' Welfare Fund Ordinance, 1971 (WWF Ordinance). As a result of this amendment it may be construed that all Collective Investment Schemes / mutual funds (CISs) whose income exceeds Rs. 0.5 million in a tax year, have been brought within the scope of the WWF Ordinance, thus rendering them liable to pay contribution to WWF at the rate of two percent of their accounting or taxable income, whichever is higher. In this regard, a constitutional petition has been filed by certain CISs through their trustees in the Honourable High Court of Sindh (SHC), challenging the applicability of WWF to the CISs, which is pending adjudication.

Subsequently, the Ministry of Labour and Manpower (the Ministry) vide its letter dated 15 July 2010 clarified that "Mutual Fund(s) is a product which is being managed / sold by the Asset Management Companies which are liable to contribute towards Workers Welfare Fund under Section-4 of WWF Ordinance 1971. However, the income on Mutual Fund(s), the product being sold, is exempted under the law *ibid*".

Further, the Secretary (Income Tax Policy) Federal Board of Revenue (FBR) issued a letter dated 6 October 2010 to the Members (Domestic Operation) North and South FBR. In the letter reference was made to the clarification issued by the Ministry of Labour and Manpower stating that mutual funds are a product and their income are exempted under the law *ibid*. The Secretary (Income Tax Policy) Federal Board of Revenue directed that the Ministry's letter may be circulated amongst field formations for necessary action. Following the issuance of FBR Letter, show cause notice which had been issued by taxation office to certain mutual funds for payment of levy under WWF were withdrawn. However, the Secretary (Income Tax Policy) Federal Board of Revenue vide letter 4 January 2011 has cancelled ab-initio clarificatory letter dated 6 October 2010 on applicability of WWF on mutual funds and issued show cause notices to certain mutual funds for collecting WWF. In respect of such show cause notices, certain mutual funds have been granted stay by Honourable High Court of Sindh on the basis of the pending constitutional petition in the said court as referred above.

Furthermore, in 2011 the Honourable Lahore High Court in a Constitutional Petition relating to the amendments brought in WWF Ordinance through the Finance Act 2006, and the Finance Act, 2008, has declared the said amendments as unlawful and unconstitutional. The Management Company is hopeful that the decision of the Honourable Lahore High Court, will lend further support to the Constitutional Petition which is pending in the Honourable High Court of Sindh.

During the year, the Larger Bench of the Sindh High Court (SHC) issued a judgment in response to a petition in another similar case in which it is held that the amendments introduced in the WWF Ordinance through Finance Acts, 2006 and 2008 do not suffer from any constitutional or legal infirmity.

However, without prejudice to the above, the Management Company, as a matter of abundant caution, has decided to continue to maintain the provision for WWF amounting to Rs. 9.678 million in these financial statements. Had the same not been made the net asset value per unit / return of the Fund would have been higher by Rs. 0.163 / 1.209% (2012: Rs. 0.09 / 0.88%) per unit respectively.

17 TAXATION

The income of the Fund is exempt from income tax under clause 99 of Part I of the Second Schedule to the Income Tax Ordinance, 2001 subject to the condition that not less than 90 percent of its accounting income for the year / period, as reduced by capital gains, whether realised or unrealised, is distributed amongst the unit holders. The Fund has not recorded a tax liability in respect of income relating to the current period as subsequent to the year end the Management Company has distributed the required minimum percentage of the Fund's accounting income for the current year as reduced by capital gains (whether realised or unrealised) to its unit holders.

18 EARNINGS PER UNIT

Earnings per unit (EPU) for the year ended June 30, 2013 has not been disclosed as in the opinion of the management, determination of weighted average units for calculating EPU is not practicable.

19 DETAILS OF NON - COMPLIANT INVESTMENTS

The Securities and Exchange Commission of Pakistan (SECP) vide circular no. 7 of 2009 dated March 6, 2009 required all Asset Management Companies to classify funds under their management on the basis of categorisation criteria laid down in the circular. The Board has approved the category of the fund as 'Balanced Scheme'.

The SECP vide circular no. 16 dated July 07, 2010, prescribed specific disclosures for the scheme holding investments that are non - compliant either with the minimum investment criteria specified for the category assigned to such schemes or with investment requirements of their constitutive documents.

26 FINANCIAL RISK MANAGEMENT

The Fund's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk.

26.1 Market risk

Market risk is the risk that the fair value or the future cash flows of a financial instrument may fluctuate as a result of changes in market prices.

The Management Company manages the market risk by monitoring exposure on marketable securities by following internal risk management policies and regulations laid down by the Securities and Exchange Commission of Pakistan.

Market risk comprises of three types of risks: currency risk, interest rate risk and other price risk.

26.1.1 Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in foreign exchange rates. The Fund, at present is not exposed to currency risk as its operations are geographically restricted to Pakistan and all transactions are carried out in Pakistani Rupees.

26.1.2 Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market interest rates.

As at June 30, 2013, the Fund holds KIBOR based interest bearing term finance certificates and sukuk bonds exposing the Fund to cash flow interest rate risk. In case of 100 basis points increase / decrease in KIBOR on June 30, 2013 with all other variables held constant, the net assets of the Fund and net income for the year would have been higher / lower by Rs. 5.483 million (2012: Rs. 3.478 million).

The composition of the Fund's investment portfolio, KIBOR rates and rates announced by Financial Market Association of Pakistan is expected to change over time. Accordingly, the sensitivity analysis prepared as of June 30, 2013 is not necessarily indicative of the impact on the Fund's net assets of future movements in interest rates.

b) Sensitivity analysis for fixed rate instruments

The Fund is not exposed to fixed rate instruments.

26.1.3 Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices (other than those arising from interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.

The Fund is exposed to equity price risk because of the investments held by the Fund and classified in the 'Statement of Assets and Liabilities' as financial asset 'at fair value through profit or loss'. The Fund manages price risk by limiting individual equity securities to not more than ten percent of net assets attributable to holders of the Fund's assets. Moreover, the sector limits have also been restricted to twenty five percent. The equity investments either classified as 'available for sale' or at 'fair value through profit or loss' are listed in the Karachi Stock Exchange. The Fund's policy requires that the overall market position is monitored on a daily basis by the Fund Manager and is reviewed on a regular basis by the investment committee as well as the Board of Directors.

In case of 5% increase / decrease in fair value on June 30, 2013, the net income for the year would increase / decrease by Rs 12.860 million (2012: Rs 16.118 million) and net assets of the Fund would increase / decrease by the same amount as a result of gains / losses on equity securities classified as 'at fair value through profit or loss'. The sensitivity analysis is based on the Fund's equity security as at the statements of assets and liabilities' date with all other variables held constant.

26.2 Credit risk

Credit risk represents the risk of a loss if counterparties fail to perform as contracted. The Fund's credit risk is primarily attributable to bank balances, its investment in term finance certificates and sukuk bonds, dividend receivable and profit receivable on bank balances. The credit risk on liquid funds is limited because the counter parties are financial institutions with reasonably high credit ratings. In addition, the internal risk management policies and investment guidelines (approved by the Investment Committee) require the Fund to invest in debt securities that have been rated as investment grade by a well known rating agency. Credit risk on dividends receivable is minimal due to statutory protection. All transactions in listed securities are settled / paid for upon delivery using the central clearing company. The risk of default is considered minimal due to inherent systematic measures taken therein.

The Fund's policy is to enter into financial contracts in accordance with the internal risk management policies and investment guidelines approved by the Investment Committee. The Fund does not expect to incur material credit losses on its financial assets.

The analysis below summarises the credit quality of the Fund's financial assets:

2013

Bank balances by rating category

A1+	99.55%
A2	0.01%
A3	0.43%

Term finance certificates and sukuk bonds by rating category

AA+, AA, AA-	3.35%
A+, A, A-	1.03%
Un-rated	13.76%

The maximum exposure to credit risk before any credit enhancement as at June 30, 2013 is the carrying amount of the financial assets. The term finance certificates and sukuk bonds held by the Fund are generally secured against hypothecation of stocks and receivables and mortgage of fixed assets.

Concentration of credit risk

Concentration of credit risk exists when changes in economic or industry factors similarly affect groups of counterparties whose aggregate credit exposure is significant in relation to the Fund's total credit exposure. The Fund's portfolio of financial instruments is broadly diversified and transactions are entered into with diverse creditworthy counterparties thereby mitigating any significant concentration of credit risk.

26.3 Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligation in full as they fall due or can only do so on terms that are materially disadvantageous to the Fund.

The Fund is exposed to daily cash redemptions at the option of unit holders. The Fund's approach to managing liquidity is to ensure, as far as possible, that the Fund will always have sufficient liquidity to meet its liabilities when due under both normal and stressed conditions, without incurring unacceptable losses or risking damages to the Fund's reputation. Its policy is therefore to invest the majority of its assets in investments that are traded in an active market and can be readily disposed and are considered readily realisable.

The Fund has the ability to borrow in the short term to ensure settlement. The maximum amount available to the Fund from the borrowing would be limited to fifteen percent of the net assets upto 90 days and would be secured by the assets of the Fund. The facility would bear interest at commercial rates. However, no borrowing was obtained by the Fund during the current year.

In order to manage the Fund's overall liquidity, the Fund may also withhold daily redemption requests in excess of ten percent of the units in issue and such requests would be treated as redemption requests qualifying for being processed on the next business day. Such procedure would continue until the outstanding redemption requests come down to a level below ten percent of the units then in issue. The Fund did not withhold any significant redemptions during the year.

The table below analyses the Fund's financial liabilities into relevant maturity groupings based on the remaining period at the reporting date to the contractual maturity date. The amounts in the table are the contractual undiscounted cash flows.

27 UNIT HOLDERS' FUND RISK MANAGEMENT

The Unit Holders' Fund is represented by redeemable units. These units are entitled to distributions and to payment of a proportionate share based on the Fund's Net Asset Value per unit on the redemption date. The relevant movements are shown on the 'statement of movement in unit holders' fund'.

The Fund has no restriction or specific capital requirement on the subscription and redemption of units.

The Fund's objectives when managing unit holders' fund are to safeguard its ability to continue as a going concern so that it can continue to provide returns to the unit holders and to maintain a strong base of assets to meet unexpected losses or opportunities.

In accordance with the risk management policies stated in note 27, the Fund endeavors to invest the subscriptions received in appropriate investment avenues while maintaining sufficient liquidity to meet redemptions, such liquidity being augmented by short-term borrowings or disposal of investments where necessary.

28 FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is the amount for which an asset could be exchanged, or liability settled, between knowledgeable willing parties in an arm's length transaction. Consequently, differences can arise between carrying values and the fair value estimates.

Underlying the definition of fair value is the presumption that the Fund is a going concern without any intention or requirement to curtail materially the scale of its operations or to undertake a transaction on adverse terms.

Financial assets which are tradable in an open market are revalued at the market prices prevailing on the reporting date. The estimated fair value of all other financial assets and liabilities is considered not significantly different from carrying values as the items are either short term in nature or periodically repriced.

International Financial Reporting Standard (IFRS) 7, "Financial Instruments: Disclosures" requires the Fund to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1);
- inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices) (level 2); and
- inputs for the asset or liability that are not based on observable market data (unobservable inputs) (level 3).

The level in the fair value hierarchy within which the fair value measurement is categorised in its entirety shall be determined on the basis of the lowest level input that is significant to the fair value measurement in its entirety.
