1. REVIEW OF OPERATIONS

The sugarcane crushing season 2012-13 commenced on 30 November, 2012 and continued till 28 March, 2013. The Mills crushed 1,326,905 tons (2012: 1,196,202 tons) of sugarcane and produced 121,771 tons (2012: 103,478 tons) of sugar. The Government increased the sugar can support price from Rs. 150/- to Rs. 170/- per 40 kg during the year. This has encouraged the farmers to bring additional area under cultivation.

2. CURRENT SEASON 2013-2014

The sugarcane crushing season started on 27 November, 2013 and the Mills have crushed 402,226 tons of sugarcane, producing 31,313 tons of sugar at average recovery of 7.96 % up to 29 December, 2013.

3. SUGAR PRICE

The GoP allowed the export of 1.20 million tons of sugar for the crushing season 2012-13, by April 2013, the sugar mills had completed the exports of 1.20 M. Tons and requested GoP to allow further export of 500,000 M. Tons, the GoP delayed this decision till October 2013, due to this, Company's

finances remained under pressure because of the inventory holding cost coupled with the depressed sugar prices throughout the year adversely affecting our profitability.

4. ETHANOL FUEL PLANT AT UNIT-II

The installation of Ethanol fuel plant of 125,000 Liters / day is in final stages and it is expected to start operation during the month of February 2014.

CHASHMA SUGAR MILLS LIMITED
STATEMENT OF COMPLIANCE WITH BEST PRACTICES OF THE
CODE OF CORPORATE GOVERNANCE

This statement is being presented to comply with the Code of Corporate Governance contained in Listing Regulations of the Lahore, Karachi and Islamabad Stock Exchanges for the purpose of establishing a framework of good governance, whereby a listed Company is managed in compliance with the best practices of corporate governance.

The Company has applied the principles contained in the Code in the following manner:

1. The Company encourages representation of independent Non-Executive Directors and Directors representing minority interests on its board of Directors. At present the Board includes:

Category	Names
Independent Director	Mr. Sher Ali Jaffar Khan.
Executive Directors	Mr. Aziz Sarfaraz Khan, Mr. Abdul Qadar Khattak
Non-Executive Directors	Mr. Abbas Sarfaraz Khan, Begum Laila Sarfaraz, Ms. Zarmine Sarfaraz, Ms. Najda Sarfaraz, Mr. Iskander M. Khan, Mr. Baber Ali Khan.

2. The Directors have confirmed that none of them is serving as a director in more than seven listed companies including this Company.
3. All the Directors of the Company are registered as taxpayers and none of them has defaulted in payment of any loan to a banking company, a Development Financial Institution or a Non-Banking Financial Institution or he/she, being a member of a stock exchange has been declared as a defaulter by that stock exchange.
4. No casual vacancy has occurred in the Board during the year.
5. The Company has prepared a "Code of Conduct" and has ensured that appropriate steps have been taken to disseminate it throughout the Company along with its supporting policies and procedures
6. The Board has developed a vision/mission statement, overall corporate strategy and significant policies of the Company. A complete record of particulars of significant policies along with the dates on which they were approved or amended has been maintained.
7. All the powers of the Board have been duly exercised and the Board has taken decisions on material transactions.
8. The meetings of the Board were presided over by the Chairman and, in his absence, by a director elected by the Board for this purpose and the Board met at least once in every quarter. Written notices of the Board meetings, along with agenda, were circulated at least seven days before the meetings. The minutes of the meetings were appropriately recorded and circulated among the directors.

9. There was no new appointment of Company Secretary and CFO. New Appointment of Head of Internal Audit Department was made during the year.
10. The Directors' Report for this year has been prepared in compliance with the requirements of the Code and it fully describes the salient matters required to be disclosed.
11. The financial statements of the Company were duly endorsed by the CEO and the CFO before approval by the Board.
12. The directors, CEO and executives do not hold any interest in the shares of the Company other than that disclosed in the pattern of share-holding.
13. The Company has complied with all the corporate and financial reporting requirements of the Code.
14. The Board has formed an Audit Committee, which is composed of non-executive directors.
15. The meetings of the Audit Committee were held at least once every quarter prior to approval of interim and final results of the Company and as required by the Code. The terms of reference of the Committee have been formulated and advised to the Committee for compliance.
16. The Board ensures arrangement of orientation courses for its Directors to apprise them of their duties and responsibilities and to keep them informed of the enforcement of new laws, rules and regulations and amendments thereof.
17. The Board has formed an HR and Remuneration Committee. It comprises 3 members, of whom one as executive director and the chairman of the Committee is a non-executive director.
18. The Board has set-up an effective internal audit function.
19. The statutory auditors of the Company have confirmed that they have been given a satisfactory rating under the quality control review program of the Institute of Chartered Accountants of Pakistan (ICAP), that they or any of the partners of the firm, their spouses and minor children do not hold shares of the Company and that the firm and all its partners are in compliance with International Federation of Accountants (IFAC) guidelines on code of ethics as adopted by ICAP.
20. The statutory auditors or the persons associated with them have not been appointed to provide other services except in accordance with the listing regulations and the auditors have confirmed that they have observed IFAC guidelines in this regard.
21. The 'closed period', prior to the announcement of interim/final results, and business decisions, which may materially affect the market price of Company's securities, was determined and intimated to directors, employees and stock exchange (s).
22. Material/price sensitive information has been disseminated among all market participants at once through stock exchange (s).
23. We confirm that all other material principles contained in the Code have been complied with.

For and on behalf of the Board

CHASHMA SUGAR MILLS LIMITED
REVIEW REPORT TO THE MEMBERS ON STATEMENT OF COMPLIANCE
WITH BEST PRACTICES OF CODE OF CORPORATE GOVERNANCE

We have reviewed the Statement of Compliance with the best practices contained in the Code of Corporate Governance prepared by the Board of Directors of **CHASHMA SUGAR MILLS LIMITED** (the Company) to comply with the Listing Regulations of the Karachi, Lahore and Islamabad Stock Exchanges, where the Company is listed.

The responsibility for compliance with the Code of Corporate Governance is that of the Board of Directors of the Company. Our responsibility is to review, to the extent where such compliance can be objectively verified, whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Code of Corporate Governance and report if it does not. A review is limited primarily to inquiries of the Company personnel and review of various documents prepared by the Company to comply with the Code.

As part of our audit of financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board's statement on internal control covers all risks and controls, or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

Further, Listing Regulations of the Karachi, Lahore and Islamabad Stock Exchanges require the Company to place before the Board of Directors for their consideration and approval related party transactions distinguishing between transactions carried-out on terms equivalent to those that prevail in arm's length transactions and transactions which are not executed at arm's length price, recording proper justification for using such alternate pricing mechanism. Further, all such transactions are also required to be separately placed before the audit committee. We are only required and have ensured compliance of requirement to the extent of approval of related party transactions by the Board of Directors and placement of such transactions before the audit committee. We have not carried-out any procedures to determine whether the related party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the best practices contained in the Code of Corporate Governance as applicable to the Company for the year ended September 30, 2013.

The Company is principally engaged in manufacture and sale of white sugar. Its shares are quoted on all Stock Exchanges in Pakistan. The Head Office of the Company is situated at King's Arcade, 20-A, Markaz F-7, Islamabad and the Mills are located at Dera Ismail Khan.
- 1.2** The Premier Sugar Mills & Distillery Company Limited (PSM) directly and indirectly controls / beneficially owns more than fifty percent of the Company's paid-up capital and also has the power to elect and appoint more than fifty percent of the Company's directors; accordingly, the Company has been treated a Subsidiary of PSM with effect from the financial year ended September 30, 2010.

2. STATEMENT OF COMPLIANCE

These financial statements have been prepared in accordance with the requirements of the Companies Ordinance, 1984 (the Ordinance), directives issued by the Securities and Exchange Commission of Pakistan (SECP) and the approved accounting standards as applicable in Pakistan. Approved accounting standards comprise of such International Financial Reporting Standards (IFRSs) issued by the International Accounting Standards Board as are notified under the provisions of the Ordinance. Wherever, the requirements of the Ordinance or directives issued by the SECP differ with the requirements of these standards, the requirements of the Ordinance or requirements of the said directives have been followed.

3. BASIS OF MEASUREMENT

3.1 Accounting convention

These financial statements have been prepared under the historical cost convention except as disclosed in the accounting policies.

3.2 Functional and presentation currency

These financial statements are presented in Pak Rupees, which is the functional currency of the Company. All financial information presented in Pak Rupees has been rounded-off to the nearest thousand, unless otherwise stated.

4. NEW STANDARDS, AMENDMENTS TO APPROVED ACCOUNTING STANDARDS AND NEW INTERPRETATIONS

4.1 New standards, amendments to approved accounting standards and interpretations, which became effective during the year ended September 30, 2013

There are certain new standards, amendments to the approved accounting standards and new interpretations issued by the International Financial Reporting Interpretations Committee, which became effective during the year but are considered not to be relevant or have any significant effect on the Company's operations and are, therefore, not disclosed in these financial statements.

4.2 New standards, amendments to approved accounting standards and new interpretations, which are not yet effective

The following standards, amendments and interpretations of approved accounting standards are only effective for annual periods beginning from the date specified below. These standards are either not relevant to the Company's operations or are not expected to have significant impact on the Company's financial statements, other than increased disclosures in certain cases.

- (a) IAS 28 (Revised), 'Associates and Joint Ventures' (effective for periods beginning on or after January 01, 2013). This standard includes the requirements for associates and joint ventures that have to be equity accounted following the issue of IFRS 11. The Company is yet to assess the full impact of IAS 28 (Revised).
- (b) IAS 32 (Amendment), 'Financial Instruments: Presentation' (effective for periods beginning on or after January 01, 2014). This amendment updates the application guidance in IAS 32, 'Financial Instruments: Presentation', to clarify some of the requirements for offsetting financial assets and financial liabilities on the balance sheet. The amendment does not have any significant impact on the Company's financial statements.
- (c) IFRS 9, 'Financial Instruments' (effective for periods beginning on or after January 01, 2015). IFRS 9 replaces the parts of IAS 39, 'Financial Instruments: Recognition and Measurement' that relate to classification and measurement of financial instruments. IFRS 9 requires financial assets to be classified into two measurement categories; those measured at fair value and those measured at amortised cost. The determination is made at initial recognition. For financial liabilities, the standard retains most of the requirements of IAS 39. The Company is yet to assess the full impact of IFRS 9; however, initial indications are that it may not significantly affect the Company's financial assets.
- (d) IFRS 13, 'Fair Value Measurement' (effective for periods beginning on or after January 01, 2013). This standard aims to improve consistency and reduce complexity by providing a precise definition of fair value and a single source of fair value measurement and disclosure requirements for use across IFRSs. The requirements do not extend the use of fair value accounting but provide guidance and how it should be applied where its use is already required or permitted by other standards within IFRSs. The Company shall apply this standard from October 01, 2013 and does not expect to have a material impact on its financial statements.
- (e) There are number of other standards, amendments and interpretations to the published standards that are not yet effective and are also not relevant to the Company and therefore have not been presented here.

5. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies adopted in the preparation of these financial statements are set-out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

5.1 Property, plant and equipment and depreciation

Owned assets

These, other than freehold land, buildings & roads and plant & machinery, are stated at cost less accumulated depreciation and any identified impairment loss. Freehold land is stated at revalued amount whereas buildings & roads and plant & machinery are stated at revalued amounts less accumulated depreciation and any identified impairment loss. Capital work-in-progress is stated at cost. Cost of some items of plant & machinery consists of historical cost and exchange fluctuation effects on foreign currency loans capitalised during prior years.

Depreciation is charged to income applying reducing balance method to write-off the cost and capitalised exchange fluctuations over estimated remaining useful life of assets. Rates of depreciation are stated in note 7.1. Depreciation on additions is charged from the month in which the asset is put to use and on disposals up to the month of disposal. The assets' residual values and useful lives are reviewed and adjusted, if appropriate, at each balance sheet date.

Subsequent costs are included in the assets' carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of item can be measured reliably. All other repair and maintenance costs are charged to income during the period in which these are incurred.

Gains / losses on disposal of property, plant and equipment are taken to profit and loss account.

Assets subject to finance lease

Leases where the Company has substantially all the risks and rewards of ownership are classified as finance lease. Assets subject to finance lease are initially recognised at the lower of present value of minimum lease payments under the lease agreements and the fair value of assets. Subsequently these assets are stated at cost less accumulated depreciation and any identified impairment loss.

The related rental obligations, net of finance charges, are included in liabilities against assets subject to finance lease. The liabilities are classified as current and long-term depending upon the timing of payment.

Each lease payment is allocated between the liability and finance charges so as to achieve a constant rate on the balance outstanding. The interest element of the rental is charged to profit over the lease term.

Depreciation on assets subject to finance lease is charged to income at the rate stated in note 7.1 applying reducing balance method to write-off the cost of the asset over its estimated remaining useful life in view of certainty of ownership of assets at the end of lease period.

Depreciation on additions to leased assets is charged from the month in which an asset is acquired while no depreciation is charged for the month in which the asset is disposed-off.

Finance cost and depreciation on leased assets are charged to income currently.

5.2 Intangible assets and amortisation thereon

Expenditure incurred to acquire computer software are capitalised as intangible assets and stated at cost less accumulated amortisation. Amortisation is charged to income applying straight-line method to amortise the cost of intangible assets over their estimated useful life. Rate of amortisation is stated in note 8.1.

5.3 Stores and spares

Stores and spares are stated at the lower of cost and net realisable value. The cost of inventory is based on moving average cost. Items in transit are stated at cost accumulated upto the balance sheet date. The Company reviews the carrying amount of stores and spares on a regular basis and provision is made for identified obsolete and slow moving items.

5.4 Stock-in-trade

Basis of valuation are as follows:

<u>Particulars</u>	<u>Mode of valuation</u>
Finished goods	- At lower of cost and net realisable value.
Sugar-in-process	- At cost.
Molasses	- At net realisable value.
- Cost in relation to finished goods and sugar-in-process represents the annual average manufacturing cost, which consists of prime cost and appropriate production overheads.	
- Net realisable value signifies the estimated selling price in the ordinary course of business less cost necessary to be incurred to effect such sale.	

5.5 Trade debts and other receivables

Trade debts are initially recognised at original invoice amount, which is the fair value of consideration to be received in future and subsequently measured at cost less provision for doubtful debts, if any. Carrying amounts of trade debts and other receivables are assessed at each reporting date and a provision is made for doubtful debts and receivables when collection of the amount is no longer probable. Debts and receivables considered irrecoverable are written-off.

5.6 Short term investments (at fair value through profit or loss)

Investments at fair value through profit or loss are those which are acquired for generating a profit from short-term fluctuation in prices. All investments are initially recognised at cost, being fair value of the consideration given. Subsequent to initial recognition, these investments are re-measured at fair value (quoted market price). Any gain or loss from a change in the fair value is recognised in income.

5.7 Cash and cash equivalents

For the purpose of cash flow statement, cash and cash equivalents comprise of cash & bank balances and temporary bank overdrafts.

5.8 Borrowings

Borrowings are recognised initially at fair value, net of transaction costs incurred and are subsequently measured at amortised cost using the effective interest rate method. Borrowings are classified as current liabilities unless the Company has an unconditional / contractual right to defer settlement of the liability for at least twelve months after the balance sheet date.

5.9 Staff retirement benefits (defined contribution plan)

The Company is operating a provident fund scheme for all its permanent employees; equal monthly contribution to the fund is made at the rate of 8.25% of the basic salaries both by the employees and the Company.

5.10 Trade and other payables

Liabilities for trade and other payables are carried at cost, which is the fair value of consideration to be paid in the future for goods and services received, whether or not billed to the Company.

5.11 Taxation

Current and prior year

Provision for current year's taxation is determined in accordance with the prevailing law of taxation on income enacted or substantively enacted by the end of the reporting period and is based on current rates of taxation being applied on the taxable income for the year, after taking into account tax credits and rebates available, if any, and taxes paid under the Final Tax Regime. The tax charge also includes adjustments, where necessary, relating to prior years which arise from assessments finalised during the year.

Deferred

Deferred tax is recognised using the balance sheet liability method on all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts appearing in the financial statements. Deferred tax liability is recognised for all taxable temporary differences. Deferred tax asset is recognised for all deductible temporary differences to the extent that it is probable that temporary differences will reverse in the future and taxable income will be available against which the temporary differences can be utilised.

Deferred tax asset and liability is measured at the tax rate that is expected to apply to the period when the asset is realised or the liability is settled, based on tax rates that have been enacted or substantively enacted by the balance sheet date.

5.12 Dividend and appropriation to reserves

Dividend distribution to the Company's shareholders and appropriation to reserves are recognised in the period in which these are approved.

5.13 Development expenditure

Expenditure incurred on development of sugar cane is expensed in the year of incurrence.

5.14 Provisions

Provisions are recognised when the Company has a present legal or constructive obligation as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the obligation can be made. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate.

5.15 Foreign currency translations

Transactions in foreign currencies are accounted for in Pak Rupees at the exchange rates prevailing on the date of transactions. Assets and liabilities in foreign currencies are translated in Pak Rupees at the exchange rates prevailing on the balance sheet date except where forward exchange rates are booked, which are translated at the contracted rates. Exchange differences, if any, are taken to profit and loss account.

5.16 Financial instruments

Financial assets and financial liabilities are recognised at the time when the Company becomes a party to the contractual provisions of the instrument and derecognised when the Company loses control of contractual rights that comprise the financial assets and in the case of financial liabilities when the obligation specified in the contract is discharged, cancelled or expired. Any gain or loss on derecognition of financial assets and financial liabilities is included in the profit and loss account for the year.

Financial instruments carried on the balance sheet include security deposits, trade debts, loans & advances, other receivables, investments, bank balances, long term financing, loans from related parties, liabilities against assets subject to finance lease, trade & other payables, accrued mark-up and short term borrowings. All financial assets and liabilities are initially measured at cost, which is the fair value of consideration given and received respectively. These financial assets and liabilities are subsequently measured at fair value or cost as the case may be. The particular recognition methods adopted are disclosed in the individual policy statements associated with each item.

5.17 Off-setting of financial assets and liabilities

Financial assets and liabilities are off-set and the net amount is reported in the financial statements only when there is a legally enforceable right to set-off the recognised amounts and the Company intends either to settle on a net basis or to realise the assets and to settle the liabilities simultaneously.

5.18 Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the amount of revenue can be measured reliably. Revenue is measured at the fair value of consideration received or receivable on the following basis:

- Sales are recorded on dispatch of goods.
- Income on deposit / saving accounts is accounted for on 'accrual basis'.

5.19 Impairment loss

The carrying amounts of the Company's assets are reviewed at each balance sheet date to identify circumstances indicating occurrence of impairment loss or reversal of provisions for impairment losses. If any indications exist, the recoverable amounts of such assets are estimated and impairment losses or reversals of impairment losses are recognised in the profit and loss account. Reversal of impairment loss is restricted to the original cost of the asset.

5.20 Borrowing costs

Borrowing costs that are directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the respective assets. All other borrowing costs are expensed-out in the period they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

6. ACCOUNTING ESTIMATES AND JUDGMENTS

The preparation of financial statements in conformity with approved accounting standards requires the use of certain critical accounting estimates. It also requires management to exercise its judgment in the process of applying the Company's accounting policies. Estimates and judgments are continually evaluated and are based on historical experience, including expectation of future events that are believed to be reasonable under the circumstances. The areas where various assumptions and estimates are significant to the Company's financial statements or where judgment was exercised in application of accounting policies are as follows:

a) Property, plant and equipment

The Company reviews appropriateness of the rates of depreciation, useful lives and residual values for calculation of depreciation on an on-going basis. Further, where applicable, an estimate of recoverable amount of asset is made if indicators of impairment are identified.

b) Stores & spares and stock-in-trade

The Company estimates the net realisable value of stores & spares and stock-in-trade to assess any diminution in the respective carrying values. Net realisable value is determined with reference to estimated selling price less estimated expenditure to make sale.

c) Provision for impairment of trade debts

The Company assesses the recoverability of its trade debts if there is objective evidence that the Company will not be able to collect all the amount due according to the original terms. Significant financial difficulties of the debtors, probability that the debtor will enter bankruptcy and default or delinquency in payments are considered indications that the trade debt is impaired.

d) Taxation

In making the estimate for income taxes payable by the Company, the management looks at the applicable law and decisions of appellate authorities on certain issues in the past.

e) Contingencies

The Company reviews the status of all the legal cases on a regular basis. Based on the expected outcome and legal advisors' judgments, appropriate provision is made.

- 26.1** Returns filed by the Company for Tax Years 2004 to 2013, except for Tax Years 2009, 2011 and 2012, have been assessed under the self assessment scheme envisaged in section 120 of the Income Tax Ordinance, 2001 (the Ordinance).
- 26.2** No numeric tax rate reconciliation is given in these financial statements as provisions made during the current year mainly represent minimum tax payable under section 113 and tax on export proceeds under section 154 of the Ordinance (2012: provision represented minimum tax payable under section 113 of the Ordinance).
- 26.3** A tax reference for the Assessment Year 1999-2000, filed by the Income Tax Department (the Department), is pending before the Peshawar High Court (PHC); the issue involved is taxation of accumulated profit under section 12(9A) of the repealed Income Tax Ordinance, 1979.
- 26.4** A tax reference for the Assessment Year 2002-03, filed by the Department, is pending before the PHC. The amount of revenue involved in the tax reference is Rs.2.993 million, which was initially assessed by the Assessing Officer and later-on annulled by the Commissioner Inland Revenue - Appeals [CIR(A)].
- 26.5** A reference for the Tax Year 2006, filed by the Department, is pending before the PHC; the issue involved is regarding deletion of tax amounting Rs.9.082 million under sections 161/205 of the Ordinance by the Appellate Tribunal Inland Revenue (ATIR).
- 26.6** A writ petition, filed by the Company, is pending before the Islamabad High Court regarding deduction of tax under sections 231A (cash withdrawals from bank) and 235 (electricity consumption) of the Ordinance.
- 26.7** The Company's writ petition filed before the PHC against its selection for the tax audit of the Tax Year 2009 is pending adjudication.
- 26.8** The Department has selected the Company's case for the Tax Year 2011 for audit under section 214C of the Ordinance.

26.9 The Company's appeal for the Tax Year 2012, whereby workers' welfare fund of Rs.3.310 million has been assessed, is pending before the CIR(A).

26.10 The Department has issued a show cause notice under sections 161/205 of the Ordinance for the Tax Year 2012. The Company has challenged the said show cause notice before the Federal Tax Ombudsman, who, after hearing the complaint, treated the impugned show cause notice as unlawful proceedings and recommended dropping it. The Department has challenged these findings before the President of Pakistan, who has accepted the representation vide order dated December 06, 2013. The Department has created no demand as it was only a show cause notice. The Company, against the Presidential order, is contemplating to file a writ petition.

27. CONTINGENCIES AND COMMITMENTS

27.1 Commitments for irrevocable letters of credit outstanding at the year-end aggregated Rs.543.482 million (2012: Rs.10.420 million).

27.2 Two commercial banks, on behalf of the Company, have issued guarantees aggregating Rs.40.904 million in favour of Trading Corporation of Pakistan (Pvt.) Ltd. to ensure due performance of the contracts for supply of 15,750 metric tons of sugar. These guarantees will expire on various dates by June 19, 2014.

27.3 The Company, during the period from July, 2008 to September, 2010, had paid special excise duty (the duty) on sugar at value higher than the value fixed by the Federal Board of Revenue vide SRO. No. 564(l)/2006 dated June 05, 2006. This resulted in excess payment of duty amounting Rs.35.825 million. The refund application was submitted to the Deputy Commissioner (DC), who had rejected the application. The Company had filed an appeal before the Commissioner Inland Revenue - Appeals [CIR(A)] against the impugned order. The CIR(A), during the year, has upheld the order of DC. The Company, thereafter, has filed an appeal before the Appellate Tribunal Inland Revenue, Peshawar Bench, which has heard and reserved the judgment on June 19, 2013. The Company's legal Advisors are of the opinion that in view of highly meritorious arguments placed before the Tribunal, the Company's refund claim shall be sanctioned.

38. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

38.1 Financial Risk Factors

The Company's activities expose it to a variety of financial risks: market risk (including interest rate risk and currency risk), credit risk and liquidity risk. The Company's overall risk management focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the Company's financial performance.

Risk management is carried-out by the Company's finance department under policies approved by the board of directors. The Company's finance department evaluates financial risks based on principles for overall risk management as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk and investment of excess liquidity, provided by the board of directors.

38.2 Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises of three types of risks:

(a) Currency risk

Foreign currency risk arises mainly where receivables and payables exist due to transactions entered into in foreign currencies. The Company is exposed to currency risk on import of plant & machinery and stores & spares mainly denominated in U.S.\$, Euro and Japanese Yen. The Company's unfunded exposure to foreign currency risk at the year-end is as follows:

	2013	2012
	(Rupees in thousand)	
Outstanding letters of credit	<u>194,177</u>	<u>10,420</u>

The Company is not exposed to currency risk at the year-end as it has no funded foreign currency liabilities as at September 30, 2013 and September 30, 2012.

(b) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of change in market interest rates. At the reporting date, the interest rate profile of the Company's interest bearing financial instruments is as follows:

	2013	2012	2013	2012
	Effective rate		Carrying amount	
	%	%	(Rupees in thousand)	
Fixed rate instruments				
Financial assets				
Bank balances	6	6	<u>5,980</u>	<u>24,413</u>
Variable rate instruments				
Financial liabilities				
Long term financing	10.16 to 14.06	13.81 to 15.80	<u>1,131,962</u>	<u>821,453</u>
Loans from related parties	10.26 to 11.68	11.72 to 15.17	<u>437,000</u>	<u>482,500</u>
Liabilities against assets subject to finance lease	9.16 to 11.76	11.43 to 11.76	<u>14,428</u>	<u>13,069</u>
Short term borrowings	10.22 to 12.95	11.39 to 15.17	<u>1,943,104</u>	<u>1,710,005</u>

Fair value sensitivity analysis for fixed rate instruments

The Company does not account for any fixed rate financial assets and liabilities at fair value through profit or loss. Therefore, a change in interest rate at the reporting date would not affect profit or loss of the Company.

Cash flow sensitivity analysis for variable rate instruments

At September 30, 2013, if interest rate on variable rate financial liabilities had been 1% higher / lower with all other variables held constant, profit after taxation for the year would have been Rs.35.265 million lower / higher mainly as a result of higher / lower interest expense on variable rate financial liabilities (2012: loss would have been higher / lower by Rs.30.270 million).

(c) Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate as a result of changes in market prices (other than those arising from interest rate risk or currency risk) whether those changes are caused by factors specific to the individual financial instruments or its issuer or factors affecting all similar financial instruments traded in the market. The Company is not exposed to any significant price risk as at September 30, 2013.

38.3 Credit risk exposure and concentration of credit risk

Credit risk represents the risk of a loss if the counter party fails to discharge its obligation and cause the other party to incur a financial loss. The Company attempts to control credit risk by monitoring credit exposures, limiting transactions with specific counterparties and continually assessing the credit worthiness of counterparties.

Concentration of credit risk arises when a number of counterparties are engaged in similar business activities or have similar economic features that would cause their abilities to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. Concentration of credit risk indicates the relative sensitivity of the Company's performance to developments affecting a particular industry.

Credit risk primarily arises from trade debts, loans & advances, other receivables and balances with banks. To manage exposure to credit risk in respect of trade debts, management performs credit reviews taking into account the customer's financial position, past experience and other relevant factors. Where considered necessary, advance payments are obtained from certain parties. The management has set a maximum credit period of 30 days to reduce the credit risk. Credit risk on bank balances is limited as the counter parties are banks with reasonably high credit ratings.

In respect of other counter parties, due to the Company's long standing business relationship with them, management does not expect non-performance by these counter parties on their obligations to the Company.

Exposure to credit risk

The maximum exposure to credit risk as at September 30, 2013 along with comparative is tabulated below:

	2013	2012
	(Rupees in thousand)	
Security deposits	4,004	3,934
Trade debts	319,517	681,660
Loans and advances	126,234	120,232
Other receivables	85,320	567
Investments	0	202,154
Bank balances	27,124	68,673
	<u>562,199</u>	<u>1,077,220</u>

The management does not expect any losses from non-performance by these counter parties.

The ageing of trade debts, all of which are domestic parties, at the year-end was as follows:

Not past due	284,267	646,807
Past due 61-90 days	525	0
Past due 91-120 days	1,065	1,094
Past due 121-365 days	33,660	33,759
	<u>319,517</u>	<u>681,660</u>

Based on past experience, the Company's management believes that no impairment loss allowance is necessary in respect of trade debts as debts aggregating Rs.268.851 million have been realised subsequent to the year-end and for other trade debts there are reasonable grounds to believe that the amounts will be realised in short course of time.

38.4 Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company's approach is to ensure, as far as possible, to always have sufficient liquidity to meet its liabilities when due. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and ensuring the availability of adequate credit facilities. The Company's treasury department aims at maintaining flexibility in funding by keeping committed credit lines available.

Financial liabilities in accordance with their contractual maturities are presented below:

2013					
Carrying amount	Contractual cash flows	Less than 1 year	Between 1 to 5 years	5 years and above

	3,180,023	3,593,909	2,367,525	1,226,384	0

The contractual cash flows relating to the above financial liabilities have been determined on the basis of interest / mark-up rates effective at the respective year-ends. The rates of interest / mark-up have been disclosed in the respective notes to these financial statements.

38.5 Fair values of financial instruments and hierarchy

Fair value is the amount for which an asset could be exchanged, or liability settled, between knowledgeable willing parties in an arm's length transaction. Consequently, differences may arise between carrying values and the fair value estimates.

At September 30, 2013, the carrying values of all financial assets and liabilities reflected in the financial statements approximate to their fair values except for loans to employees, which have been valued at their original costs less repayments.

39. CAPITAL RISK MANAGEMENT

The Company's prime objective when managing capital is to safeguard its ability to continue as a going concern so that it can continue to provide returns for shareholders, benefits for other stakeholders and to maintain a strong capital base to support the sustained development of its business.

The Company manages its capital structure by monitoring return on net assets and makes adjustments to it in the light of changes in economic conditions. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividend paid to shareholders and / or issue new shares.

There was no change to the Company's approach to capital management during the year and the Company is not subject to externally imposed capital requirements except for the maintenance of debt to equity ratio under the financing agreements.
